Crisis Of Faith

Michael Paul Gallagher

Crisis Of Faith:

Crisis of Faith, Crisis of Love Thomas Keating, 1995-02-01 Working from the experiences of the later mystics Keating offers the spiritual sense of scripture elaborated by the Fathers and Mothers of the Church which has been used repeatedly to illustrate insights useful to the various stages of spiritual development This rich storytelling tradition traces a spiritual journey outlining a way of listening to God by sharpening the habit of contemporary prayer *Exploring the Experience of a Crisis of Faith: A Qualitative Study* Claire D Webb, 2019 For some religion and spirituality play a crucial role in one's life influencing their values behaviors and relationships Research suggests that spirituality gives one a sense of purpose and identity and can allow an individual to make meaning out of negative life events A crisis of faith is a painful experience in a Christian's life when he or she begins to doubt his or her beliefs causing grief and confusion for the individual as well as a sense of disconnection from God The purpose of this qualitative study was to explore the experience of a crisis of faith and gain a deeper understanding to why one might remain committed to his or her faith or choose to abandon it completely Grounded theory methodology revealed that crises of faith were connected to a relationship with God This relationship fluctuated based on the individual's acceptance of self and acceptance of God's love The results indicated that a crisis of faith could lead to a deeper relationship with God as well as spiritual growth Findings also supported God as an attachment figure who Christians interact with differently depending on attachment style and past attachment injuries

Crisis of Faith: Saving Those Who Doubt Edward D. Andrews, 2015-11-15 Inside of some Christians unbeknownst to their family friends or congregation they are screaming I doubt I doubt I have very grave doubts OURS is an age of doubt Skepticism has become fashionable We are urged to question everything especially the existence of God and the truthfulness of his Word the Bible A half brother of Jesus warned us against doubting the one who doubts is like a wave of the sea that is driven and tossed by the wind Jam 1 6 When insidious doubts begin to creep into the mind and the heart it is only a matter of time before a CRISIS OF

FAITH gives way spiritual shipwreck Since we have been warned that some will fall away from the faith we should be ready to save some even ourselves In CRISIS OF FAITH Edward D Andrews guides us in one can be restored to the faith through an accurate knowledge that gives the facts on which to rebuild one s faith Confidence can be restored in this world beset by doubts We can help ourselves or others once again to make the Word of God their own CRISIS IN FAITH assures us that the Bible truly is from God Those who have doubts need to have their questions answered and this book will fill the need for honest hearted persons who sincerely want to know *The Human Poetry of Faith* Michael Paul Gallagher,2003 Drawing on examples from literature film and popular culture the author explores fresh ways to bring Christianity into the secular world

Shaken Faith Sanejo Leonard,2015-04-23 When your faith no longer works and the catch phrases and Christianese that got you to where you are cannot take you past your current crisis what do you do Is doubt okay Is it okay for Christians to struggle with what they believe Is it okay to question God This book takes an honest and in depth look at faith crises experiences from interviews with sixty people and five biblical narratives addressing head on the issues of doubt and times of questioning one s faith Shaken Faith outlines a biblical perspective and a fresh way of viewing doubt the questions Christians experience in their faith and faith crisis moments In order for faith to be real it must be challenged and shaken so that the depth of the faith can be rooted in an unshakable God **Slaves to Faith** Calvin Mercer,2009-04-30 As Dr Mercer posits the fundamentalist is fundamentally driven by anxiety layered over a fragile sense of self identity constructed upon a system of beliefs that is both logically inconsistent and highly suspect in light of modern science As a result the fundamentalist completely rejects modernity while battling mightily in the arena of national politics and culture to bring about a world that aligns more closely with the fundamentalist worldview Focusing on Christian fundamentalists the author puts Christian fundamentalism in its historical and theological contexts At the same time Mercer calls upon cognitive theory to explain that the fundamentalist s life story is not particular to Christianity or any other religious belief system but that fundamentalist Catholics Muslims Jews and those of all other faiths share a common psychological profile Indeed Mercer insists that if the Christian terminology were eliminated from contemporary fundamentalist Christian rhetoric what would remain would be a framework that fundamentalists from other religions would find quite familiar and even comforting In other words the structure of the fundamentalist worldview and the psychology beneath it is pretty much the same across religions It is a controversial thing to say about Christian fundamentalism a thesis that has already proved contentious in the author s public appearances and one that is sure to generate considerable attention and passionate debate as the U S populace continues to divide into opposing camps *Enduring a Crisis of Faith* Rico Maranto,2026-02-26 Author Rico Maranto A crisis of faith may feel like the death of our testimony But what if it is not the death of our testimony but a rebirth of it After a lifetime of being a devoted Latter day Saint Rico Maranto unexpectedly suffered a severe and devastating crisis of faith that plunged him into what he now calls the dark night of the soul Overcome with doubt and uncertainty he began to feel abandoned by God and all

that He has taught But through the years of his dark night Rico transitioned from nearly losing his faith to rediscovering rebirth Now Rico shares his story and explains how his crisis transformed him and entirely changed his perspective on faith In this inspiring book Rico reframes our perception of doubt and alleviates the shame and guilt that many feel when experiencing similar faith crises With his loving understanding and knowledge gained as someone who has been through the storm and come out stronger than ever you will discover the five stages of faith as a template for spiritual development strategies and toolsets for enduring a crisis of faith how to help others who are struggling with their own doubts If you or a loved one are struggling with your faith know that the dark night of the soul is not reason to despair it is a divinely designed spiritual chrysalis intended to transform us into all the Lord needs us to become the best version of ourselves [A Crisis of Faith & Religious Confinement](#) Wayven Pienaar,2021-10-28 To what extent can we be spiritual but not religious Where is the church when it counts In this book the author explores these questions It may not sit well with the church religious leaders and some Christians This book is a candid critical look at faith religion and spirituality from the author s perspective She hopes to inspire others who are seeking answers about God their purpose and God s plan for their lives If you re finding yourself going through a crisis of faith this book is a must read **"The Crisis of Faith"** Ian Thomas Ramsey,1972 *The Problem of Faith and Freedom in the Last Two Centuries* John Oman,1906 [The Gayworthys, by the author of 'Faith Gartney's girlhood'](#). By A.D.T. Whitney Adeline Dutton Train Whitney,1893 **Christianity in Crisis** Hank Hanegraaff,2012-06-18 Nearly two decades ago Hank Hanegraaff s award winning *Christianity in Crisis* alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmask We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen *Christianity in Crisis 21st Century* exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas **The Freedom of Faith** Theodore Thornton Munger,1883 **Words of Faith and Hope** Brooke Foss
