Resolved Robert Litan, 2020-10-06 Adopting a simple education reform to restore civil discourse and transform American society In this era of extreme political polarization it s tempting to believe nothing can be done to heal a nation that is so obviously divided and led by dysfunctional politicians But there is a relatively simple and powerful way to begin the healing and at the same time prepare the next generations of leaders for the rigorous demands of a constantly changing economy and society The solution offered by this intriguing book is for schools across the country to focus on developing in students the skills of successful debaters These are the skills so clearly lacking in contemporary society of listening and persuading through civil discourse backed by fact based evidence and reason Resolved explains how one simple educational reform can help address the nation

s political divide and at the same time help ensure that today s young people will actually enjoy learning and thus will have the necessary skills to lead productive and economically rewarding lives The book offers practical ideas about a positive future for parents educators state legislators business leaders in fact anyone interested in how debate centered education can fundamentally change the country for the better Advances in Taxation John Hasseldine,2021-10-19 Advances in Taxation is essential reading for those looking to keep abreast of the most recent research including empirical studies using a variety of research methods from different institutional settings and contexts
