The Cromwellian Protectorate

BARRY COWARD

Cromwellian Protectorate

Patrick Little

Cromwellian Protectorate:

The Cromwellian Protectorate Barry Coward, 2002 The Cromwellian Protectorate examines the nature of the first regime ever to have had effective control of the British Isles and the impact that it had on England Ireland Scotland and Wales and on Britain's international reputation Few previous studies of the Protectorate of Oliver Cromwell and his son Richard have given sufficient emphasis to its achievements Instead they have characterized it either as a military dictatorship or a reactionary regime that after the revolutionary events of 1649 put Britain on a road that led inevitably to the restoration of the monarchy This book presents an alternative view of the Cromwellian Protectorate

The Cromwellian Protectorate Patrick Little, 2007 The Protectorate lacks the immediate drama of the Regicide the Republic or the Restoration and is often dismissed as a retreat from revolution Challenging this view this title argues that the Protectorate was progressive and often created further tensions within the government and between Whitehall and the localities

Poetry and the Cromwellian Protectorate Edward Holberton, 2008-08-07 The Cromwellian Protectorate was a period of innovation in poetry and drama as well as constitutional debate This new account of the period focuses on key cultural institutions Parliament an embassy to Sweden Oxford University Cromwell's state funeral to examine this poetry's relationship with a culture in transformation and crisis Edward Holberton shows that the Protectorate's instabilities helped to generate lively and innovative poetry Protectorate verse explores the fault lines of a culture which ceaselessly contested the authority of its own institutions including the office of Protector itself Poetry by Andrew Marvell Edmund Waller William Davenant and John Dryden contributed to a vibrant poetic culture which embraced diverse forms and occasions masques for the weddings of Cromwell's daughters diplomatic poems to Queen Christina of Sweden naval victories civic pageants and university anthologies in celebration of a peace treaty Many of these texts prove difficult to align with established ideas of the political and cultural contests of the age because they become entangled with cultural institutions which could no longer be taken for granted and were in many cases transforming rapidly with far reaching historical consequences Poetry and the Cromwellian Protectorate asks how poetry confronted questions that were complicated by institutional practices how poets tried to square their wider cultural sympathies with their interests in a particular parliamentary or university crisis and how changes in institutions afforded poets critical insights into their society's problems and its place in the world The readings of this book challenge previous representations of Protectorate culture as a phase of conservative backsliding or pragmatic compromise under a quasi-monarchical order Protectorate verse emerges as nuanced and vital writing which looks beyond the personality of Oliver Cromwell to the tensions that shaped his power Poetry and the Cromwellian Protectorate argues that it is precisely through being contingent and compromised that these poems achieve their vitality and become so revealing

Oliver Cromwell and the Protectorate Sir Daniel Wilson, 1854 *Oliver Cromwell* Patrick Little, 2008-11-24 Little integrates the latest research from younger and established scholars to provide a new evaluation and biography of Cromwell The book

challenges received wisdom about Cromwell's rise to power his political and religious beliefs his relationship with various communities across the British Isles and his role as Lord Protector

Financial and Commercial Policy Under the Cromwellian Protectorate Maurice Ashley, 1934

Poetry and the Cromwellian Protectorate Edward Holberton, 2008-08-07

The Cromwellian Protectorate was a period of innovation in poetry and drama as well as constitutional debate. This new account of the period focuses on key cultural institutions: Parliament, an embassy to Sweden, Oxford University, Cromwell's state funeral, to examine this poetry's relationship with a culture in transformation and crisis. Edward Holberton shows that the Protectorate's instabilities helped to generate lively and innovative poetry. Protectorate verse explores the fault lines of a culture which ceaselessly contested the authority of its own institutions, including the office of Protector itself. Poetry by Andrew Marvell, Edmund Waller, William Davenant, and John Dryden contributed to a vibrant poetic culture which embraced diverse forms and occasions: masques for the weddings of Cromwell's daughters, diplomatic poems to Queen Christina of Sweden, naval victories, civic pageants, and university anthologies in celebration of a peace treaty. Many of these texts prove difficult to align with established ideas of the political and cultural contests of the age because they become entangled with cultural institutions which could no longer be taken for granted and were in many cases transforming rapidly with far-reaching historical consequences. Poetry and the Cromwellian Protectorate asks how poetry confronted questions that were complicated by institutional practices: how poets tried to square their wider cultural sympathies with their interests in a particular parliamentary or university crisis, and how changes in institutions afforded poets critical insights into their society's problems and its place in the world. The readings of this book challenge previous representations of Protectorate culture as a phase of conservative backsliding or pragmatic compromise under a quasi-monarchical order. Protectorate verse emerges as nuanced and vital writing which looks beyond the personality of Oliver Cromwell to the tensions that shaped his power. Poetry and the Cromwellian Protectorate argues that it is precisely through being contingent and compromised that these poems achieve their vitality and become so revealing.

Providence Lost Paul Lay, 2020-01-09

A compelling and wry narrative of one of the most intellectually thrilling eras of British history. Guardian SHORTLISTED FOR THE CUNDILL HISTORY PRIZE 2020. England 1651: Oliver Cromwell has defeated his royalist opponents in two civil wars, executed the Stuart king Charles I, laid waste to Ireland, and crushed the late king's son and his Scottish allies. He is master of Britain and Ireland. But Parliament, divided between moderates, republicans, and Puritans of uncompromisingly millenarian hue, is faction-ridden and disputatious. By the end of 1653, Cromwell has become Lord Protector. Seeking dragons for an elect Protestant nation to slay, he launches an ambitious Western Design against Spain's empire in the New World. When an amphibious assault on the Caribbean island of Hispaniola in 1655 proves a disaster, a shaken Cromwell is convinced that God is punishing England for its sinfulness. But the imposition of the rule of the Major Generals, bureaucrats with a penchant for closing alehouses, backfires spectacularly. Sectarianism and fundamentalism run riot. Radicals and royalists join together in

conspiracy The only way out seems to be a return to a Parliament presided over by a king But will Cromwell accept the crown Paul Lay narrates in entertaining but always rigorous fashion the story of England s first and only experiment with republican government he brings the febrile world of Oliver Cromwell s Protectorate to life providing vivid portraits of the extraordinary individuals who inhabited it and capturing its dissonant cacophony of political and religious voices Reviews Briskly paced and elegantly written Providence Lost provides us with a first class ticket to this Cromwellian world of achievement paradox and contradiction Few guides take us so directly or so sympathetically into the imaginative worlds of that tumultuous decade John Adamson The Times Providence Lost is a learned lucid wry and compelling narrative of the 1650s as well as a sensitive portrayal of a man unravelled by providence Jessie Childs Guardian [The Protectorate of Oliver Cromwell, and the State of Europe During the Early Part of the Reign of Louis XIV.](#) Robert Vaughan,1838 **Rethinking Revolutionary Change in Europe** Bailey Stone,2020-02-17 Reconsidering the English French and Russian Revolutions this book offers an important new approach to the theoretical and comparative study of revolutions Bailey Stone proposes an innovative neostructuralist integration of competing structuralist and postmodernist theory Providing a balanced and nuanced critique of both sides he presents new ways of understanding radical change in the European polities that created the concept and the dramatic realities of modern revolution He focuses on the central issues of modernizers versus traditionalists old regime bourgeoisies regicides terror and state legitimacy By reconciling political and cultural theories of revolutionary causation and process Stone s synthesis marks a critical advance in our understanding of revolution [The Writings and Speeches of Oliver Cromwell](#) Oliver Cromwell,Wilbur Cortez Abbott,1988 This third volume on Oliver Cromwell covers the years 1653 to 1655 and traces Cromwell s emergence as the ruler of his country and as an international statesman In December 1653 after the collapse of Barebone s parliament a short lived experiment in radical Puritan rule Cromwell became Lord Protector under a new constitution designed by the army the Instrument of the Government The volume traces the failure of Cromwell s attempt to win assent for that constitution from the parliament of 1654 and describes the royalist plotting which led to the rising under Colonel Pe nraddock in March 1655 The insurrection prompted Cromwell to entrust the government of the regions to his Major Generals in whose rule the military character of the Protectorate was at its most obvious Abroad a series of hard won treaties with France and with Protestant powers paved the way for the war with Spain which began in the autumn of 1655 The volume ends at a point when Cromwell perhaps enjoyed greatest power but the least support [The Writings and Speeches of Oliver Cromwell: The Protectorate, 1655-1658](#) Oliver Cromwell,1970 Oliver Cromwell 25 April 1599 3 September 1658 1 was an English military and political leader and later Lord Protector of the Commonwealth of England Scotland and Ireland Wikipedia [Oliver Cromwell](#) Patrick Little,2009 A new evaluation and biography of Cromwell which draws on the latest research to challenge the accepted view of his life character and political career **John Thurloe and the Foreign Policy of the Protectorate** Michael Francis Foley,1967 **Oliver Cromwell, the**

Protector Sir Reginald Francis Douce Palgrave,1890 **A General History of the Christian Era: The Protestant revolution** Anthony Guggenberger,1901 **The Protectorate of Oliver Cromwell, and the State of Europe During the Early Part of the Reign of Louis XIV.** Robert Vaughan,1839 **Parliaments and Politics during the Cromwellian Protectorate** Patrick Little,David L. Smith,2007-10-04 This volume provides a detailed book length study of the period of the Protectorate Parliaments from September 1654 to April 1659 The study is very broad in its scope covering topics as diverse as the British and Irish dimensions of the Protectorate Parliaments the political and social nature of factions problems of management the legal and judicial aspects of Parliament s functions foreign policy and the nature of the parliamentary franchise and elections in this period In its wide ranging analysis of Parliaments and politics throughout the Protectorate the book also examines both Lord Protectors all three Protectorate Parliaments and the reasons why Oliver and Richard Cromwell were never able to achieve a stable working relationship with any Parliament Its chronological coverage extends to the demise of the Third Protectorate Parliament in April 1659 This comprehensive account will appeal to historians of early modern British political history **East India Company Under the Cromwellian Government** Robert Chukuka Ekwueme,1960 **Financial and Commercial Policy Under the Cromwellian Protectorate** Maurice Ashley,2013-10-28 First Published in 1972 A reprinting of the original volume on Financial and Commercial Policy Under the Cromwellian Protectorate from its first edition in 1934 this is includes an updated preface by the author addressing comments from the first editions and new studies and laws that have come to light

As recognized, adventure as well as experience approximately lesson, amusement, as competently as union can be gotten by just checking out a books **Cromwellian Protectorate** as a consequence it is not directly done, you could understand even more roughly this life, vis--vis the world.

We manage to pay for you this proper as with ease as easy mannerism to get those all. We give Cromwellian Protectorate and numerous ebook collections from fictions to scientific research in any way. along with them is this Cromwellian Protectorate that can be your partner.
