*The Crooked Corridor, Etc* Elizabeth Stevenson, 1961      The Crooked Corridor Albert Frank Gegenheimer, 1950      *The Crooked Corridor* Elizabeth Cleghorn Gaskell, 1949      The crooked corridor : a study of Henry James Elizabeth Stevenson, 1949      Henry James Elizabeth Stevenson, Certain readers and critics have faulted Henry James for two contradictory reasons He has been thought a writer limited in scope and depth in his treatment of a particular class of people On the other hand he has been thought to be too complex too extreme in putting into difficult language his view of relationships between his chosen characters Elizabeth Stevenson depicts Henry James as a stout and strong presence in the literature of the English language From the relatively youthful straightforward and simple writing of his early years to the involved complexities of his later stories his significance cannot be denied The barrier seems to have been a misunderstanding on the part of some It is true nearly all of his characters are well clothed well fed and roofed comfortably They are usually fairly well educated and talk literately and wittily James rarely treats raw or wild nature but he is sensitive to landscape as a background He also does children well and they are often outside the norms of society Who is not touched by the uncanny in the tainted children of *The Turn of the Screw* whether the taint is actually in the children or in the mind of the governess In James one may not travel physically a great deal except to the resorts of those well off financially and socially One does travel extensively through the minds and hearts of his characters The journey rewards the traveler The delicacy of James melodramatic insights causes tremor or appreciation from a reader He describes the way life is both horrible and wonderful No one else has expressed this understanding in quite his way Henry James *The Crooked Corridor* will be of interest to students of American literature and general readers interested in biographies Elizabeth Stevenson 1919 1999 was the author of the Bancroft Award winning *Henry Adams A Biography* *The Grass Lark* a biography of Lafcadio Hearn *Babbits and Bohemians* and *Park Maker A Life of Frederick Law Olmsted* all available from Transaction      **Mellifluous** **Discontent Girl** Melissa Godwin, 2009-05 Mellifluous *Discontent Girl* is not your typical memoir a quirky roller coaster ride of prose stories and illustrations drawn from the highs and lows of a girl who sets out to find herself Through imaginative images and a dark wit Mellifluous *Discontent Girl* will take you through an evolution of the spirit Since she first began writing as a child Melissa has poured her thoughts out into hundreds of volumes of journals which were always a true and close friend Naturally evolving into prose and story she began to create self published zines a la Kinkos in the year 2000 She places truthful raw emotion in high regard and continuously finds humor in the darkest of situations Drawing from experiences with depression and hypomania she continues to create beauty from turbulence as well as an emerging sense of soul consciousness Melissa lives in New Mexico with her husband and three dogs      **Sunset** ,1922      Rinkitink in Oz Lyman Frank Baum, 1916 A classic in Baum's series of Oz adventures filled with whimsical characters that quickly endear themselves to young readers 114 black and white illustrations by John R Neill      Enchanted World of Childhood Jules
