## **Cross And The Resurrection:**

**The Cross Is Not Enough** Ross Clifford, Philip Johnson, 2012 International apologists present a compelling and inspiring case for how to draw on the resurrection for everyday Christian living *The Cross and the Resurrection* The Navigators, 1996-06 The LIFE AND MINISTRY OF JESUS CHRIST series recounts the life of Christ who He is what He taught things He did If you want to know Christ more fully this will challenge you and teach you to follow Him more closely

**Scandalous** D. A. Carson, 2010-02-03 How are Christians to approach the central gospel teachings concerning the death and resurrection of Jesus The Bible firmly establishes the historicity of these events and doesn't leave their meanings ambiguous or open to interpretation Even so there is an irony and surprising strangeness to the cross Carson shows that this strange irony has deep implications for our lives as he examines the history and theology of Jesus's crucifixion and resurrection Scandalous highlights important theological truths in accessible and applicable ways Both amateur theologians and general readers will appreciate how Carson deftly preserves weighty theology while simultaneously noting the broader themes of Jesus' death and resurrection Through exposition of five primary passages of Scripture Carson helps us to more fully understand and appreciate the scandal of the cross

**The Sign and the Sacrifice** Rowan Williams, 2016-11-29 Rowan Williams former Archbishop of Canterbury presents the Gospel accounts of Jesus' crucifixion and resurrection as viewed through the eyes of those who witnessed them The Sign and the Sacrifice explores the meaning of the cross and the significance of Christ's resurrection discussing what these events meant to Jesus' followers in the early years and what they can say to us today *Jesus, the Cross and the Resurrection* Rolando José Olivo, 2019-07-12 In this publication three themes closely related that arise from the life, works, teachings, miracles, and legacy of the Lord are analyzed: the Christian cross, the resurrection of Jesus, and the afterlife Although the Christian cross is a relevant religious symbol, it has created controversies among different Christian groups, and some even deny that Jesus died on a cross In addition, the resurrection of Jesus is the most incredible, extraordinary, exceptional, and unusual supernatural phenomenon accepted in the beliefs of humanity, which forces researchers to raise several questions regarding its validity While the existence of God and the afterlife give meaning to the sacrifice, resurrection, and ascension of Christ to heaven

**The Empty Cross of Jesus** Michael Green, 2023-09-28 The cross is too important a matter to be left to the theologians If it is true that God almighty was in Christ redeeming the world on Calvary, then we need to understand what that cross can mean for ordinary individuals and communities With this conviction Green reexamines the question of atonement Why did Jesus have to die How could a loving God allow his son to suffer And what role does the resurrection play in this divine drama Rooting his discussion in Scripture Green opens up the meaning of Easter in an easy, nontechnical style The empty cross of Jesus liberates the theologian, inspires the preacher, comforts the counselor, and fortifies every disciple for a life of self-sacrifice *Christians at the Cross* Nicholas Thomas Wright, 2007 The wisdom of Wright's biblical reflections applies to anyone who is suffering and offers a

passage to hope through Christ and his victory over death Weep Not for Me John Vernon Taylor, 1986 *The Way of the Cross* Inos Biffi, 1997 These books combine clear text with lavish colorful pictures to help readers understand the foundations of the Catholic faith **The Cross** Bob Sorge ,2021-02-12 Kneel again in blood and water and revisit the hill where the two of you first met Understand the great paradox of the cross He suffered so we never have to and He suffered to show us how His cross will make sense of your sufferings Your faith will be strengthened as you believe God for your own resurrection This is the most profound writing on the cross I have ever read The magnitude of this book is almost beyond my ability to describe it s a treasure of truth Don Wilkerson Co Founder Teen Challenge **Between Cross and Resurrection** Alan E. Lewis, 2003-06-20 For much of Christian history the church has given no place to Holy Saturday in its liturgy or worship Yet the space dividing Calvary and the Garden may be the best place from which to reflect on the meaning of Christ s death and resurrection This superb work by the late Alan Lewis develops on a grand scale and in great detail a theology of Holy Saturday The first comprehensive theology of Holy Saturday ever written *Between Cross and Resurrection* shows that at the center of the biblical story and the church s creed lies a three day narrative Lewis explores the meaning of Holy Saturday the restless day of burial and waiting from the perspectives of narrative hearing the story doctrine thinking the story and ethics living the story Along the way he visits as many spiritual themes as possible in order to demonstrate the range of topics that take on fresh meaning when viewed from the vantage point of Holy Saturday *Between Cross and Resurrection* is not only incisive and elegantly written but it is also a uniquely moving work deeply rooted in Christian experience While writing this book Lewis experienced his own Holy Saturday in suffering from and finally succumbing to cancer He considered *Between Cross and Resurrection* to be the culmination of his life s work The Gift of the Cross Charles F. Stanley, 2022-02-22 Have you ever looked more closely at the Easter story and wondered how Jesus death on the cross transforms every day of your life In *The Gift of the Cross* beloved and trusted pastor Dr Charles F Stanley walks us through the Lenten and Easter seasons with biblical teaching on Christ s journey to the cross the wonder of His divine resurrection and what it all means for believers today Discover how this one event forms the absolute foundation for everything Christians believe and will impact not just how you celebrate Lent and Easter but how you can experience joy and hope all year long Both men and women will be encouraged in their faith walk as they focus on the truths that You can find rest in the final work of the Cross Jesus lives and reigns and is intimately involved in your life You can start experiencing God s love and the promises of the resurrection today As Dr Stanley leads you in this study you will discover A more meaningful way to observe and celebrate the Lenten and Easter seasons Decades of biblical study and teachings on Jesus life death and resurrection Gorgeous photography alongside powerful scriptures and Dr Stanley s insights Develop a deeper understanding of the Lenten and Easter seasons through *The Gift of the Cross* Look for additional inspirational devotionals and biblical teaching from Dr Charles Stanley *The Gift of Jesus The Gift of Prayer The Gift of Heaven Christmas A Gift for Every Heart* **The Praxis of Suffering** Rebecca S.

Chopp,2007-03-16 Liberation and political theologies have emerged powerfully in recent years interrupting the way in which First World Christians both experience and understand their faith Through an analysis of the cultural and ecclesial contexts of these theological movements as well as a critical examination of four of their principal exponents Gustavo Gutierrez Johann Baptist Metz Jose Miguez Bonino and Jurgen Moltmann the author demonstrates that political and liberation theologies represent a new model of theology one that proffers a vision of Christian witness as a praxis of solidarity with suffering persons

**Stumbling over the Cross** Joni S. Sancken,2016-04-21 It has never been easy to preach about the cross and resurrection of Jesus but difficulties today are particularly challenging Hearers ask tough questions of the church and the Christian faith and they are not satisfied by formulaic answers People are often suspicious of doctrine and are attracted to a broad but vague or pluralistic spirituality rather than the classical claims of Christianity In this climate preachers often see preaching on the central events of the Christian story the crucifixion and resurrection as more of a problem than a possibility more of a burden than a joy They wonder not only how to preach the old old story of cross and resurrection but whether they should preach these themes at all This book addresses these concerns and shows preachers how to preach the cross and resurrection in fresh culturally relevant ways that deepen Christian discipleship Each chapter shows the relevance of preaching the cross for addressing a particular congregational concern What has ironically become a stumbling block in the pulpit the stone that preachers often reject preaching on the cross and resurrection of Jesus can serve as the cornerstone for building up the congregation for discipleship in our world

**Preaching the Cross and the Resurrection** Gregory Tyree,2014-04-13 The cross of Christ is the very pinnacle of the Christian faith Without the cross there is no salvation and without salvation there is no hope The world finds the bloodied cross and the mangled flesh of a Savior to be offensive and even foolish But its is the stark reality of Christ s suffering that paves the way for the forgiveness of sins and the prospect of eternal life And yet as powerful as the crosswork of Christ is it would be meaningless without the literal resurrection of Jesus It is His bodily physical and literal resurrection that sets Christianity apart from all the world s many other religions While billions look to lifeless and powerless gods and systems of religion to merit eternal life or nervana or Shangrala only those who place their sincere faith in the Son of God Who died and was raised from the dead for our sins will experience eternity in heaven as well as victory over sin in the here and now This collection of sermons presents several series that will help the busy pastor prepare and deliver life changing messages that point people to the cross and the empty tomb

An Evangelical Reading of Theologia Crucis in the Indian Context Amritraj Joshua Paul,2025-11-27 Amidst the global resurgence of the theologia crucis Theology of the cross both in academic circles and in the world of pastoral practical ministry this book explores the subject from the Indian context particularly from an evangelical perspective
