# Cross And The Trenches

**Richard Schweitzer**

## **Cross And The Trenches:**

*The Cross and the Trenches* Richard Schweitzer, 2003-05-30 Drawing on the testimony of over 500 British and American soldiers the author provides an in depth account of topics such as soldiers prayers and biblical readings as well as religious doubts

*The Cross at the Front* Thomas Tiplady, 1917 **The Cross At The Front; Fragments From The Trenches** Reverend Thomas Tiplady, 2014-08-15 THE letters on life and thought at the Front contained in this volume were all written in tents and billets within range or sound of the guns They were written quickly in odd moments and at the bidding of passing impulses Under such circumstances literary finish was impossible but it is hoped that they have captured something of the freshness of feeling which one has while passing through unusual experiences and which is apt to evaporate with the lapse of time I have attempted no battle picture nor description of military operations well knowing that such things are beyond me I have merely gathered up some of the fragments that remained fragments which might have been lost if not picked up at once These I have attempted to sketch for the benefit of those at home I trust they will reveal something of the spirit in which our soldiers lived and fought suffered and died As the author states in his preface his memoirs are the little snapshots and vignettes of his time as chaplain in the British Army during the First World War He was a chaplain with the Queen's Westminster Rifles in the Somme and Arras campaigns in France There he caught trench fever which laid him up for some time after recovery he was stationed at Abbeville until the war's end

*The Cross and the Trenches* Richard Schweitzer, 1993 **The Cross at the Front; Fragments from the Trenches** Thomas Tiplady, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1917 edition Excerpt xxiv poppies and barbed wire just behind the line where our men fought on July 1 there is a soldiers cemetery which has become to me a garden of memories It was a sunny morning when I first saw its white crosses and scarlet poppies I was on my way to the adjoining village to arrange a service for one of my regiments which had been billeted there for fatigue duties There was no sign of a cemetery until one got in front of it for the side view was obstructed Suddenly rows of little white crosses glinting in the sun startled the sight and awoke the imagination to scenes of battle and sudden death The appeal of the crosses was irresistible and I jumped off my bicycle to look at the names There were soldiers from many counties lying there and upon some cross might be a name familiar and loved Who could tell In the far right hand corner a burial party was at work I asked what had happened and they told me An hour before the Germans had shelled the village and four men had been killed At breakfast the four lads were happy and bright eating heartily and laughing merrily By dinnertime they were wrapped in their blankets and lying silent in death At teatime they were sleeping in the graves which comrades had dug for them As I entered the village I saw the deep hole in the road where the shell had burst There had been no time to fill it in and I had to wheel my bicycle round it The Sunday following we had our service on the stretch of grass within the cemetery It did not seem a melancholy place for

worship Somehow death seems different out here It looks more natural for our burials have more of simple faith and less of pagan pageantry We use no coffin wear no black shed no tears and lay upon the graves no dying *The Cross at the Front* Thomas Tiplady,2018-01-20 Excerpt from *The Cross at the Front* Fragments From the Trenches Upon the Old World s darkest night And Freedom s battle fight once more As fought thy gallant sires of yore Thy Stars and Stripes how proud they wave Above thy people strong and brave More proudly still above each crew Who kinsmen seek old faith renew And Freedom s battle fight once more As fought their gallant sires of yore Where ags of white and blue and red Show England s soul with France s wed There shall Old Glory proudly y As with their sons thine own shall die Who Freedom s battle fight once more As fought their gallant sires of yore Republic free thy Stars shall shine Where Freedom forms her battle line And light with hope the midnight sky Till all shall see the dawn draw nigh Who Freedom s battle fight once more As fought their gallant sires of yore About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Cross at the Front** Thomas Tiplady,2015-11-15 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant [Bulletin - American Railway Engineering Association](#) American Railway Engineering Association,1920 Vols for 19 include the directory issue of the American Railway Engineering Association [Bulletin - American Railway Engineering Association](#) American Railway Engineering and Maintenance of Way Association,1907 Vols for 19 include the directory issue of the American Railway Engineering Association *Agroecology in China* Luo Shiming,Stephen R. Gliessman,2017-03-27 Key features Reviews the development of agroecology in China including research practice management and education regarding challenges for rural and agricultural progress Presents information from sources not readily available in the West about agricultural development in

China during the last several decades Provides models and indicates starting points for future research and practice Addresses how to meet future challenges of agroecosystems from the field to the table in China from scientific technological and management perspectives During the past 30 years industrialization has fundamentally changed traditional rural life and agricultural practices in China While the incomes of farmers have increased serious issues have been raised concerning the environment resource depletion and food safety In response the Chinese government and Chinese scientists encouraged eco agriculture the practice of agroecology principles and philosophy as a way to reduce the negative consequences of large scale industrialized systems of farming Agroecology in China Science Practice and Sustainable Management represents the work of experts and leaders who have taught researched and expanded Chinese agroecology and eco agriculture for more than 30 years It reviews decades of agricultural change to provide an integrated analysis of the progress of research and development in agroecological farming practices The book contains research on traditional and newly developed agricultural systems in China including intercropping systems rainfall harvest systems and rice duck rice fish and rice frog co culture systems It covers current eco agriculture practices in the major regions of China according to climate conditions The book closes with a discussion of the major technical approaches necessary policy support and possible major development stages that must occur to allow broader agroecological implementations toward the sustainability of future food systems in China Presenting eco agriculture systems that are somewhat unique in comparison to those of the United States Latin America and Europe Agroecology in China gives insight on how Chinese agroecologists under the political and cultural systems specific to China have created a strong foundation for ecologically sound agroecosystem design and management that can be applied and adapted to food systems elsewhere in the world By using selected regional examinations of agroecological efforts in China as examples this book provides models of how to conduct research on a broad range of agroecosystems found worldwide

The Top Books of the Year Cross And The Trenches The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Cross And The Trenches : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
