Life's Crossroads Karen Cerio, 2015-02-10 The journey feels long carrying my heavy load and straight ahead is a crossing in the road Do I go forward to the left or the right uphill or downhill or keep the past in sight God gave me choices there are decisions to make His road or my road which one do I take Life s Crossroads like Life s Dusty Roads features poetry that will have readers traveling the roads of their hearts and minds reminiscing on the beauty the joys and the struggles of life Readers will find comfort inspiration and delight in the poems that celebrate life nature and a myriad of subjects from the sacredness of God and his creations to the closets of the mind amidst days gone by Delve into the beauty of the outdoors family and friends Enjoy a coffee klatch that until now was not even contemplated while you traverse the roads of life and beyond in a unique and charming way as you approach personal choices in Life s Crossroads *Cross Roads* Amanda Kelly, 1994

Crossroads David R. Slavitt, 1994-02-01 In his twelfth book of original verse David R Slavitt leads us to a crossroads where terror loneliness and despair are transfigured by love and art Much of the collection centers on the poet s family history In the title poem Slavitt imagines the dour landscape of the Polish hamlet his grandparents left in search of a safer haven at the same time that he reflects ruefully on the hazards of contemporary life in America but what they abandoned is what I dream of now asleep while people who don t even know my name monitor consoles that show what zones in my house have been violated what doors or windows opened or motion sensors tripped by the cat or some intruder On the street cars are stolen and stripped by desperate men wild children Who can say In another poem he recalls his mother and his discovery only after her death her murder that the name she had been given was not Adele but Ida As a young woman she had chosen to call herself something not too cute but not too plain not Ida And it is Adele he decides on for her grave marker in deference to her whimsical and brave spirit Not only family but also the worlds of art music and literature animate Slavitt s verses from a consideration of the modes of salvation suggested by El Greco s and Goy s paintings of Saint Peter to a reflection upon our common response to a discordantly tuned instrument from echoes of Paradise Lost to witty and deft variations on Catullus Throughout this collection David Slavitt s keen intelligence wry humor and deep compassion shine through Crossroads allows us to observe a poet working at the peak of his powers **Cross Roads : a Book of Poems** Kelly, Amanda, 1994*

Intersections Corina Cristea,2009-07-01 Intersections is about the journey through life as told through a collection of poems that touch the soul We are all on a mystical journey and Corina Cristea takes us through a series of stories about life and death happiness and sadness As we all move forward on our journey we learn about strength and weakness making promises and breaking promises forgiving and unforgiving love lost and love found Intersections is about unrequited love and the belief that love is not about keeping but rather giving it is not about holding grudges but rather letting go it is not about expectations but rather expecting nothing in return Love can heal and love can hurt but in the end love is an amazing and powerful emotion Without it life really has no meaning And in the end no matter which way we go on life s path and what decisions we make along the way we all inevitably meet at the same intersections

Ledger of Crossroads James Brasfield,2009-12-01 In James Brasfield s *Ledger of Crossroads* layered by light and shadow the crossroads emerge from distinct yet inseparable geographies Grounded in the sensual world the poems fuse American and Eastern European landscapes the char of silence and beauty brick foundations of what was here dirt roads cut through pines rivers and the dust of the dead Here are experiences from the American South of those who believed Jim Crow the way things had to be and from the fallen imperiums of those who have always returned to fewer trees and a wall whose intimate perceptions provide moments of reprieves beyond the faint scent of almond in the air and heavy clouds funneling from the earth into snowfall the current calmed within that distant bend of the Vistula Here we become the identities of others their time and place from the strata of their histories They enter our lives
