Crossed Purposes:

Crossed Lives--Crossed Purposes Ray Blunt,2012-04-12 Thomas Jefferson and William Wilberforce were born at a time of great dangerous challenges where unprecedented revolutions in thought governments worldview and culture swept in Their lives from their beginning tragedies down to their calling and early commitments to end slavery make their stories even more amazing Powerfully formed as leaders by exceptional mentors and lifelong supporters they were sustained in their difficult journeys through several critical forks While each experienced the early failure to abolish slavery eventually one man backed away from his responsibility while the other became a globally recognized leader of mercy to the oppressed Why the so called tyrant monarchy England was led to dissolve slavery peacefully and why the first democracy formed in liberty wasted six hundred thousand lives for the same end remains a conundrum to this day Even more puzzling is why despite fierce opposition Wilberforce persisted to lead this victory while Jefferson failed to do so This even deeper question reveals much about the power of purpose of beliefs worldviews and what constitutes true success In the end their competing stories produce valuable lessons apt for our equally perplexing times Whether an aspiring young leader one who seeks to shape the next generation or a student of history the reader will find here answers to important questions we all share For those interested in further resources for leadership development worldview history finishing well and other themes from this book visit the website at <http://crossedlives.org> **Chimes from by-gone years, thoughts for daily reading [ed.] by C.B.**

Missing Sonia Falaschi-Ray,2013-06-01 A husband and wife arrive tired and hungry at an inn on their way home to Nazareth They search in vain for their son whom they assumed to have been travelling with the group Twelve he may be nearly a man but not yet and the city of Jerusalem is no place for a youth wandering about on his own His name is Yeshua and he is eventually found engaged in debate with rabbis in the temple His knowledge of scripture is formidable and some find his questioning precocious and interesting However the young Rabbi Caiaphas finds the boy s views outrageous Eventually reunited with his parents Yeshua leaves Jerusalem to travel home But he will return for he is the lynchpin in the greatest spiritual revolution the world has ever known Missing Three Days in Jerusalem is a refreshing and accessible account of the life of Jesus Christ from his disappearance in Jerusalem as a boy to his earliest ministries foreshadowing his future teachings We meet him 21 years later at the moment of his arrest leading to his crucifixion death and on the third day his resurrection His companions reminisce about his miracles Then he appears He tells them he has been freeing souls from hell and commissions them to spread his truth His followers have life changing experiences as they engage in the slow but

certain spreading of the Way of Christianity throughout the world This is not just a story about divinity it is about ordinary people finding themselves in extraordinary circumstances The world of occupied Judea in the early years of the first century is brought dazzlingly alive and the message is clear the Way is open to everyone no matter their background or creed no matter their doubts and uncertainties Missing is a work of historical fiction that will appeal primarily to Christians but also to spiritual seekers who will find it a fresh approach to the Gospel story Sonia Falaschi Ray has taken inspiration from Susan Howatch especially her Starbridge novels

Wrath and Retribution R.G. Taark,2013-09-02 A lone man who carries the name of the Empire s ultimate shame and anonymity John Smith Stripped of everything from his past cast out and stumbling through the world he sees everything he grew up believing with new eyes The harsh realities of his world nip at his flanks and heels every day of his new life while memories and painful traumas of his old life plague his days and even nights Excerpt

Samson opened his eyes with a splitting headache and dry mouth feeling slightly disoriented from the flooding rush of his life s memories over two decades prior The series of dreams had assaulted him like the days they had happened all tumbled together The first was pleasant but the second left him feeling like he was still experiencing it It took him several breaths to realize that he was indeed older and these injuries were fresh not inflicted by the dream The confusion between the threshold of waking and jarring dreams was disorienting made worse by the fog of painkillers He was stiff and sore like he had spent all day lifting weights not stretched after and then had laid stationary for hours The glare from the lighting was oppressive like it was being shined directly into his brain straight through his closed lids With an irritated groan he turned his head to the left The stabs of pain and protesting muscles in his neck and back made him wish he hadn t Cracking his eyes knowing he wasn t going to be able to sleep anymore the three human shaped shadows solidified into Persephone and her mother and father Samson s painful irritation at waking up in such miserable conditions quickly turned to confusion as he looked around the unfamiliar room washed out in glaring light turning his eyes only Since everything else hurt to move including his grumpy waking up face he decided not to push his luck Why everyone was looking at him was disconcerting Why he was in a strange bed was puzzling How he arrived here was confusing And why Lady Celine was in a similarly uncomfortable bed next to him was baffling Persephone leaned forward and shoved something cold between his lips Her only instruction was Open Curiosity giving way to trust Samson realized it was an ice chip The sweet explosion of cold and wet water in his mouth tasted better than any meal he had ever had The prone Lady Celine was the first to sarcastically assault him So Mister First Gladiator of the Empire what has been running through your head the last three quarters of an hour Baffled by the question a different question of his own arrived in his mind All he could croak through his dried tongue and lips was Time Lady Celine looked sunken and pale in her bed The fluid tubes running into her from every direction indicated hospital of some kind as his brain started coming up to speed Phyllip grumbled Almost time for dinner and time for you to answer the question
