Crossing Cocytus Paul L. Mariani, 1982-01-01 *Epitaphs for the Journey* Paul Mariani, 2012-05-18 In *Epitaphs for the Journey* New Selected and Revised Poems Paul Mariani revisits forty years of writing poems including revising many of his earlier lyrics to shape his latest volume into a life lived and lived again over the past seven decades The eight sections or cantos each composed of twelve poems cover roughly a decade apiece and contour Mariani's search for answers to the constant interplay of the felt presence of the Mystery we call God as it plays with the modern imagination Mariani's background is Catholic and broadly classic and warmly embraces all aspects of Christianity and Judaism and the world even beyond those The Poima Poetry Series Poems are windows into worlds windows into beauty goodness and truth windows into understandings that won't twist themselves into tidy dogmatic statements windows into experiences We can do more than merely peer into such windows with a little effort we can fling open the casements and leap over the sills into the heart of these worlds We are also led into familiar places of hurt confusion and disappointment but we arrive in the poet's company Poetry is a partnership between poet and reader seeking together to gain something of value to get at something important Ephesians 2:10 says We are God's workmanship poima in Greek the thing that has been made the masterpiece the poem The Poima Poetry Series presents the work of gifted poets who take Christian faith seriously and demonstrate in whose image we have been made through their creativity and craftsmanship These poets are recent participants in the ancient tradition of David Asaph Isaiah and John the Revelator The thread can be followed through the centuries through the diverse poetic visions of Dante

No Man's Land Sandra M. Gilbert, Susan Gubar, 1996-02-21

How do writers and their readers imagine the future in a turbulent time of sex war and sex change And how have transformations of gender and genre affected literary representations of woman man family and society This final volume in Gilbert and Gubar's landmark three part *No Man's Land: The Place of the Woman Writer in the Twentieth Century* argues that throughout the twentieth century women of letters have found themselves on a confusing cultural front and that most increasingly aware of the artifice of gender have dispatched missives recording some form of the future shock associated with profound changes in the roles and rules governing sexuality Divided into two parts *Letters from the Front* is chronological in organization with the first section focusing on such writers of the modernist period as Virginia Woolf Zora Neale Hurston Edna St Vincent Millay Marianne Moore and H D and the second devoted to authors who came to prominence after the Second World War including Gwendolyn Brooks Sylvia Plath Margaret Atwood Toni Morrison and A S Byatt Embroiled in the sex antagonism that Gilbert and Gubar traced in *The War of the Words* and in the sexual experimentations that they studied in *Sexchanges* all these artists struggled to envision the inscription of hitherto untold stories on what H D called the blank pages of the unwritten volume of the new Through the works of the first group Gilbert and Gubar focus in particular on the demise of any single normative definition of the feminine and the rise of masquerades of femininity amounting to female female impersonation In the writings of the second group the critics pay special attention to proliferating revisions of the family romance revisions significantly inflected by differences in race class and ethnicity and to the rise of masquerades of masculinity or male male impersonation Throughout Gilbert and Gubar discuss the impact on literature of such crucial historical events as the Harlem Renaissance the Second World War and the sexual revolution of the sixties What kind of future might such a past engender Their book concludes with a fantasia on *The Further Adventures of Snow White* in which their bravura retellings of the Grimm fairy tale illustrate ways in which future writing about gender might develop
