

*I found myself being drawn in and wanting for the next installment. More trials that have become apart of the fabric of your work.  
Often I think about the problems and how I would handle or solve them and other nuggets of information especially my own  
knowledge base. Or trying to visualize various circumstances with the aid of your pictures and words...  
I saw our Chief Phil sitting there looking down, how long it stays in our own hat...  
While in the Navy many years ago I was apart of who, in the Med or not before a post-call, in the command which  
had so many memories. What is fascinating is your style of writing around these situations... Interesting...*
