

At Gettysburg

Gary W. Gallagher

At Gettysburg:

Hallowed Ground James McPherson, 2016-03-20 Enjoy this fully illustrated edition of *Hallowed Ground* by James M McPherson one of today's greatest Civil War historians James M McPherson the Pulitzer Prize winning author of *Battle Cry of Freedom* and arguably the finest Civil War historian in the world walks readers through the Gettysburg battlefield the site of the most consequential battle of the Civil War McPherson makes stops at Seminary Ridge the Peach Orchard Cemetery Hill and Little Round Top as well as other key locations He reflects on the meaning of the battle colorfully describes the events of those terrible three days in July 1863 and places the battle and war in the greater context of American and world history Along the way he provides stories of his own encounters with the place and debunks several popular myths This is the first illustrated version of this groundbreaking and important book and includes vintage photographs memorabilia and maps as well as full color photography of the battlefields and historical landmarks as they stand today Sidebars written by contemporary soldiers statesmen and women of the day as well as pieces by some of today's best known historians and writers add context to this engaging and popular book

Confrontation at Gettysburg John David Hoptak, 2012
Gettysburg is America's most famous battle Fought on the first three days of July 1863 it was one of the largest and by far the bloodiest of the Civil War Yet the importance of this great conflagration cannot be measured in numbers alone for Gettysburg also represented a pivotal moment in the war The battle ended General Robert E Lee's second invasion of Union soil and never again did a Confederate army reach that far north Join historian John Hoptak as he narrates the fierce action between the Confederate Army of Northern Virginia and the Union Army of the Potomac at such places as McPherson's Ridge the Railroad Cut the Wheatfield the Peach Orchard Devil's Den Little Round Top and on Culp's and Cemetery Hills

At Gettysburg, Or, What a Girl Saw and Heard of the Battle Matilda Pierce Alleman, 2015-01-03 Matilda Alleman was a young resident of Gettysburg during the Battle of Gettysburg in 1863 *At Gettysburg* is an amazing first hand account of what she saw Without question the most famous battle of the American Civil War took place outside of the small town of Gettysburg Pennsylvania which happened to be a transportation hub serving as the center of a wheel with several roads leading out to other Pennsylvanian towns From July 1-3 Robert E Lee's Confederate Army of Northern Virginia tried everything in its power to decisively defeat George Meade's Union Army of the Potomac unleashing ferocious assaults that inflicted nearly 50,000 casualties in all Day 1 of the battle would have been one of the 25 biggest battles of the Civil War itself and it ended with a tactical Confederate victory But over the next two days Lee would try and fail to dislodge the Union army with attacks on both of its flanks during the second day and Pickett's Charge on the third and final day Meade's stout defense held barely repulsing each attempted assault handing the Union a desperately needed victory that ended up being one of the Civil War's turning points After the South had lost the war the importance of Gettysburg as one of the high tide marks of the Confederacy became apparent to everyone making the battle all the more important in the years after it had

been fought While former Confederate generals cast about for scapegoats with various officers pointing fingers at Robert E Lee James Longstreet and James Stuart historians and avid Civil War fans became obsessed with studying and analyzing all the command decisions and army movements during the entire campaign Despite the saturation of coverage Americans refuse to grow tired of visiting the battlefield and reliving the biggest battle fought in North America [They Met at Gettysburg](#) Edward J. Stackpole,2025-09-02 A string of Confederate victories at Second Manassas Fredericksburg and Chancellorsville led to the June 1863 invasion of Pennsylvania by General Robert E Lee s Army of Northern Virginia As Lee was aiming toward Harrisburg the state capital General George G Meade s Army of the Potomac drove hard to catch up with him Although neither general had planned to fight at the small crossroads town of Gettysburg a skirmish broke out on July 1 when advance elements of the Confederate army collided with pickets from a Yankee cavalry brigade Three days of bitter fighting ensued When the vicious encounter was over having been fought at places like the railroad cut Devil s Den the Wheatfield Little Round Top and Culp s Hill and culminating in Pickett s desperate charge on July 3 Lee s army was in retreat and Meade had scored a major victory for the North Based on deep knowledge of the battle and battlefield and driven by masterful excitingly paced storytelling *They Met at Gettysburg* is the classic narrative of the greatest battle ever fought on American soil *The Artillery of Gettysburg* Bradley M. Gottfried,2008 The battle of Gettysburg in July 1863 marked the turning point of the American Civil War The apex of the Confederacy s final major invasion of the North the devastating defeat also marked the end of the South s offensive strategy against the North From this battle until the end of the war the Confederate armies largely remained defensive *The Artillery of Gettysburg* is a thoughtful look at the role of the artillery during the July 1 3 1863 conflict Bradley M Gottfried provides insight into how the two armies employed their artillery how the different kinds of weapons functioned in battle and the strategies for using each of them He shows how artillery affected the ebb and flow of battle for both armies and thus provides a unique way of understanding the strategies of the Federal and Union commanders **Human Interest Stories of the Three Days Battles at Gettysburg** Herbert L. Grimm,Paul L. Roy,1927 **The Second Day at Gettysburg** David Schultz,Scott L. Mingus,2015-10-30 Emphasize s the role of Winfield Scott Hancock and the Second Corps in plugging the gap and saving the day for the Union Gettysburg Magazine On the afternoon of July 2 1863 Lt Gen James Longstreet struck the Union left flank with a massive blow that collapsed Dan Sickles advanced position in the Peach Orchard and rolled northward tearing open a large gap in the center of the Federal line on Cemetery Ridge Fresh Confederates from A P Hill s Corps advanced toward the mile wide breach where Southern success would split the Army of the Potomac in two The fate of the Battle of Gettysburg hung in the balance Despite the importance of the position surprisingly few Union troops were available to defend Cemetery Ridge Major General Winfield S Hancock s veteran Second Corps had been whittled from three divisions to less than one after Gibbon s division was sucked into earlier fighting and Caldwell s command was shattered in the Wheatfield With little time and few men Hancock determined to plug

the yawning gap Reprising Horatio at the Bridge the gallant commander cobbled together various commands and refused to yield the precious acres in Plum Run ravine The swirling seesaw fighting lasted for hours and included hand to hand combat and personal heroics of which legends are made The Second Day at Gettysburg expands on David Shultz and David Wieck's critically acclaimed earlier work The Battle Between the Farm Lanes This completely revised and expanded study which includes new photographs original maps and a self guided tour of the fighting is grounded in extensive research and unmatched personal knowledge of the terrain

At Gettysburg - What a Girl Saw and Heard of the Battle Tillie Pierce Alleman, 2023-12-26 In *At Gettysburg What a Girl Saw and Heard of the Battle* Tillie Pierce Alleman provides a vivid and personal account of one of the Civil War's most pivotal battles Written in an engaging narrative style the book is both a memoir and a historical document detailing the chaos and horror experienced by civilians in Gettysburg during the summer of 1863 With keen observations and emotionally charged prose Alleman captures the tumult of war through the innocent eyes of a young girl deftly juxtaposing her youthful wonder with the stark realities of life and death that enveloped her town Her account not only illuminates individual experiences but also enriches the broader context of American history reflecting the societal upheavals of the time Tillie Pierce Alleman a native of Gettysburg was a mere fifteen years old when the battle unfolded in her hometown Her perspective as a young girl thrust into such a monumental event offers a unique lens through which to understand the human costs of war Driven by her own experiences her writings serve as both a personal testament and a means of preserving the collective memory of her community while also confronting the broader implications of conflict and resilience This book is an indispensable read for anyone interested in Civil War history women's narratives or the impact of warfare on civilian life By offering a blend of innocence and insight Alleman invites readers to engage with history in an intimate way making it an essential addition to both academic and personal libraries In this enriched edition we have carefully created added value for your reading experience Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

First Day at Gettysburg Warren W. Hassler, Warren W. Hassler Jr, 2010-03-25 Hassler manages to bring the reader to the front without much delay and the action gets right to the point Common among other 1st Day books in regards to Gettysburg are sometimes boring biographies of people involved This book is a rather quick study of the general events that played out on July 1st 1863

Longstreet at Gettysburg Cory M. Pfarr, 2019-02-28 This is the first book length critical analysis of Lieutenant General James Longstreet's actions at the Battle of Gettysburg The author argues that Longstreet's record has been discredited unfairly beginning with character assassination by his contemporaries after the war and persistently by historians in the decades since By closely studying the three day battle and conducting an incisive historiographical inquiry into Longstreet's treatment by scholars this book presents an alternative view of Longstreet as an effective military leader and refutes over a century of negative evaluations of his performance

At Gettysburg Tillie

Pierce Alleman, 1889 **The Cavalry Battle That Saved the Union** Paul D. Walker, 2002-04-30 An examination of Robert E Lee's strategy at Gettysburg that would have achieved a Confederate victory but resulted in the disaster of Pickett's Charge. Civil War historians have long been puzzled by Pickett's seemingly suicidal frontal attack on the Union center at Gettysburg. Here for the first time Paul D Walker reveals Robert E Lee's true plan for victory at Gettysburg: a simultaneous strike against the Union center from the front and rear. Major General George Pickett's infantry to charge the front while Major General Jeb Stuart's cavalry struck the rear. The frontal assault by Pickett went off as scheduled but as Stuart's forces approached from the rear they encountered a Union cavalry contingent. As the forces joined the Union cavalry leader was quickly killed and command fell to one of the most dynamic figures in American history: George Armstrong Custer. What followed was America's greatest cavalry battle: 7,500 Confederate horsemen ranged against 5,000 Union cavalry. Jeb Stuart against George Custer with the outcome of the Civil War at stake.

Pickett's Charge at Gettysburg James A. Hessler, Wayne Motts, 2015-06-19 A battlefield guide to the sites and history of the climactic attack during the American Civil War's Battle of Gettysburg. 150 years after the event, the grand near-suicidal attack against the Union position on Cemetery Ridge still emotionally resonates with Gettysburg enthusiasts like no other aspect of the battle. On the afternoon of July 3, Confederate Gen Robert E Lee ordered more than 12,000 Southern infantry to undertake what would become the most legendary charge in American military history. This attack, popularly but inaccurately known as Pickett's Charge, is often considered the turning point of the Civil War's seminal battle of Gettysburg. Although much has been written about the battle itself and Pickett's Charge in particular, Pickett's Charge at Gettysburg is the first battlefield guide for this celebrated assault. After the war, one staff officer perceptively observed that the charge has been more criticized and is still less understood than any other act of the Gettysburg drama. Unfortunately, what was true then remains true to this day. The authors of this book, two of Gettysburg's elite Licensed Battlefield Guides along with one of the Civil War's leading cartographers, have corrected that oversight. Grounded in the premise that no better resource exists for understanding this unique event than the battlefield itself, Pickett's Charge at Gettysburg encourages its readers to explore this storied event from a wide variety of perspectives. For the first time, readers can march toward the Copse of Trees with Armistead's Virginians advance on the Confederate left with Pettigrew's North Carolinians or defend the Angle with Alonzo Cushing's gunners and thousands of Union soldiers. There is much here to enrich the experience, including dozens of full-color original maps, scores of battlefield and other historic photographs, a unique mix of rare human interest stories, a discussion of leadership controversies, and a rare collection of artifacts directly related to the charge. Pickett's Charge at Gettysburg is designed for readers to enjoy on or off the battlefield and will give Civil War enthusiasts an entirely new appreciation for and understanding of Gettysburg's third day of battle. Extremely well done, designed as a tour guide to the area of the battlefield where the famous July 3, 1863 Confederate assault on the center of the Union Line took place, the heart of any tour guide is maps, and that feature is served up in exemplary

fashion here far more than just maps The two text authors are battlefield guides and the detail provided is immense strongly recommended Civil War News

At Gettysburg Matilda "Tillie" Pierce Alleman,2010-07-01 Matilda Tillie Pierce Alleman 1848 1914 was a young girl of 15 and a resident of Gettysburg during the battle of Gettysburg Her maiden name was Tillie Pierce During the first day s fighting Tillie s father James Pierce ran a butcher shop in the town During the first day of fighting at Gettysburg the Pierces moved Tillie out of the town to a farm thinking she would be safer there It turned out that Tillie ended up right behind the Union lines on the second and third day The farm where she stayed became a field hospital and this young girl witnessed much suffering and death Later in life Mrs Alleman wrote an account of what she saw and it is considered a very accurate and excellent first hand source

The First Day at Gettysburg Gary W. Gallagher,1992 Many writers have argued that the Battle of Gettysburg represented the turning point of the Civil War after which the Confederate fortunes moved inexorably toward defeat Often overshadowed by more famous events on the second and third day the initial phase of the contest offers very interesting problems of leadership

Pickett's Charge at Gettysburg: A Bloody Clash in the Civil War (XBooks: Total War) Jennifer Johnson,2020-08-25 More than 150 years after the event the grand attack against the Union position on Cemetery Ridge still emotionally resonates with Gettysburg enthusiasts like no other aspect of the battle High interest topics real stories engaging design and astonishing photos are the building blocks of the XBooks a new series of books designed to engage and motivate reluctant and enthusiastic readers alike With topics based in science history and social studies these action packed books will help students unlock the power and pleasure of reading and always ask for more

On the afternoon of July 3 Confederate Gen Robert E Lee ordered more than 12 000 Southern infantrymen to undertake what would become the most legendary charge in American military history This attack popularly but inaccurately known as Pickett s Charge is often considered the turning point of the Civil War s seminal battle of Gettysburg

Turning the Tide at Gettysburg Jerry Desmond,2014-09-01 During the first three days of July in 1863 the largest battle ever fought in North America occurred in the small Pennsylvania town of Gettysburg More than 160 000 men from the North and the South engaged in mortal struggle in the third year of the American Civil War At many crucial points of time and location on the battlefield men from Maine were there to stem the Confederate tide Once asked why the Confederate Army lost the battle at Gettysburg General George E Pickett replied I think the Yankees had something to do with it He should have said those men from Maine had something to do with it The argument can be made that the eventual outcome at Gettysburg might have been in doubt had the regiments from Maine in all numbering some 3 700 volunteers not performed heroically in the line of battle They stood firm at Gettysburg and helped save the Union Through maps and photographs historian Jerry Desmond details location by location around the battlefield the heroic actions of the volunteer regiments from Maine

Sickles at Gettysburg James A. Hessler,2009-06-25 Sickles is as dividing a figure in Civil War history as there is In his masterful work Hessler puts him out there with all his wrinkles Confederate Book Review Winner of the Robert E Lee Civil War Roundtable

of Central New Jersey's Bachelder Coddington Literary Award Winner of the Gettysburg Civil War Roundtable's Distinguished Book Award By licensed battlefield guide James Hessler this is the most deeply researched full length biography to appear on this remarkable American icon No individual who fought at Gettysburg was more controversial both personally and professionally than Major General Daniel E Sickles By 1863 Sickles was notorious as a disgraced former Congressman who murdered his wife's lover on the streets of Washington and used America's first temporary insanity defense to escape justice With his political career in ruins Sickles used his connections with President Lincoln to obtain a prominent command in the Army of the Potomac's 3rd Corps despite having no military experience At Gettysburg he openly disobeyed orders in one of the most controversial decisions in military history Hessler's critically acclaimed biography is a balanced and entertaining account of Sickles colorful life Civil War enthusiasts who want to understand General Sickles scandalous life Gettysburg's battlefield strategies the in fighting within the Army of the Potomac and the development of today's National Park will find Sickles at Gettysburg a must read The few other Sickles biographies available will now take a back seat to Hessler's powerful and evocative study of the man the general and the legacy of the Gettysburg battlefield that old Dan left America I highly recommend this book J David Petruzzi coauthor of Plenty of Blame to Go Around Jeb Stuart's Controversial Ride to Gettysburg [The Cavalry at Gettysburg](#) Edward G. Longacre,1993-02-01 Bristles with analysis details judgments personality profiles and evaluations and combat descriptions even down to the squadron and company levels Civil War Times Illustrated [They Met at Gettysburg](#) Edward James Stackpole,1986-08-27

Reviewing **At Gettysburg**: Unlocking the Spellbinding Force of Linguistics
