## **At Home With God:**

*Home with God* Kyle Worley, 2025-02-11 What if we've missed the most wonderful truth about salvation That you and I were created to live at home with God Not just in some far future heavenly world But right now You and I are invited to live at home with God in Christ Jesus This invitation is called union with Christ And it is one of the most unbelievable and overlooked realities of Christian salvation In this book Kyle Worley pastor author and host of the Knowing Faith Podcast guides readers along the story of Scripture to help them understand that this invitation into life with God in Christ is not only a key part of the Bible's entire message but also the primary belief of Christian salvation In *Home with God* you will discover how the Christian's union with Christ creates a new me a new we and a new way of living in and living out God's story Wisdom is found in knowing God and knowing ourselves *Home with God An Invitation into Union with Christ* is a simple and engaging introduction to this wonderful truth With discussion questions at the end of each chapter for reflection it is a great resource for both individual reflection and small group discussion

*At Home with God* Lucy Holt, 2022-10-22 In the Bible we hear of God you have been our home forever Psalm 90:1 Home is both a physical and psychological place and is a place where when functioning well is a place of safety learning love and healing This book explores home in these and other ways and leads us to reflect on how God can be this for us using biblical passages The book invites us to see how we can journey with God and we are drawn into God's invitation to dwell at home with Him both now in this earth and for eternity

**God's Welcome:** Amy Oden, 2008-05-01 God's Welcome is a different kind of how to book on hospitality one that studies the stories of God's welcome and takes seriously the culture of hostility that sometimes masquerades as Christianity Gather your small group or leadership group discussion guide included in the book and dig into the important work of gospel hospitality

**At Home and Abroad**, 1906

*At Home with God* Tom O'Hara, 1997 Contemplation is a gift to us all We see it in a baby's fascination with its toes in a child absorbed in playing in the sand in our own gazing upon a magnificent sunset Contemplation is being with sitting in the presence of another And contemplative prayer is in the words of Teresa of Avila nothing else than a close sharing between friends This book deals with prayer with Jesus

*At Home with God: Here and Now* Lee Adams Young, 2000-05-25 From biblical times through the Middle Ages and the Reformation the Christian religion enjoyed a sturdy belief in God consistent with human knowledge of the universe But modern science then introduced a new picture of this world at odds not only with the old world picture but with the miracle working God of ancient Scripture Of the many different responses to this conflict three stand out i To deny the religious view of God and the world or ii To deny many solid findings of generations of scientists concerning the evolution of stars the Earth and life or iii To deny little yet to affirm little in religion to repeat ancient rituals without serious conviction Lee Adams Young a physicist and Bible scholar claims to replace this chaos with an orderly view of God and the world in only 437 pages He makes three main points 1 The Bible consistently but falsely split the world into two separate realms Heaven and Earth God rarely or never left his celestial throne

room to visit the Earth The steeples of traditional churches pointed toward this Sky God and the Lord's Prayer still speaks of a Father in Heaven The result has been a disconnect between God and the believer a chasm bridged only by armies of angels and other intermediaries or via long distance calls The solution according to *At Home with God Here and Now* is to proclaim as does science that there is only one realm of reality God should be seen as dwelling in this world says Young indeed within each of us available for direct communication and personal support Prayer should take the form of face to face communication with a person no farther away than the other end of a park bench 2 The Bible consistently and correctly insists upon the inseparability of the human body and soul So does Aristotle and the latest Catholic Catechism Alas in postbiblical times many Jews and Christians have come to believe that at death the human soul could detach itself from the body and ascend to Heaven Young responds as follows a If there is no Heaven the latter step has no meaning We are face to face with God now in this life Because we already live in a sacred world one need not die in order to reach the divine b The notion of a soul that can function independently of bodily support goes against ancient and modern awareness of the influence of bodily conditions on thinking and memory c Near death experiences NDEs are reports from the living not from those who died Medical research shows that NDEs are triggered not by the objective peril of death but by the subjective fear of death d Human faith in an afterlife can blunt the human need to put interpersonal relationships in order in this life We must mend our personal fences nowhere is no second chance as the Hebrew Bible says 3 The God depicted in Young's book is entirely consistent with modern science That God is seen as the essential governor of nature whose regularities people depend on and science describes This book is recommended to all who seek a religious faith based on reality not makebelieve a faith grounded in ancient wisdom yet believable in this modern age Dear God, He's Home! Janet Thompson, 2013-03-05
