At The Big Red Rooster:

At the Big Red Rooster ,1998 **This Mortal Boy** Fiona Kidman,2025-01-21 The offender is not one of ours It is unfortunate that we got this undesirable from his homeland Auckland October 1955 If young Paddy Black sings to himself he can almost see himself back home in Belfast Yet less than two years after sailing across the globe in search of a better life here he stands in a prison cell awaiting trial for murder He pulled a knife at the jukebox that night but should his actions lead him to the gallows As his desperate mother waits on Paddy must face a judge and jury unlikely to favour an outsider as a wave of moral panic sweeps the island nation Fiona Kidman s powerful novel explores the controversial topic of the death penalty with characteristic empathy and a probing eye for injustice **Zion's Hope** ,1909 The Search Joyce Murphy Arendt,2020-06-21 After her friend Abby s spectacularly romantic wedding in Illinois Victoria Berhenke returns to her home town in Arkansas to visit her mother and brothers but she has an ulterior motive She is determined to find her father who disappeared after the death of her twin baby brothers leaving her mother devastated and alone to raise her and her four brothers Victoria s guilt over leaving her mother alone to raise the family has haunted her for ten years and until she exhausts all means to find her father and reunite the family she feels she will never be able to find a love of her own Not just a love but the love of her life Meeting Abby s new husband s handsome brother Raymond has awakened her desire for love and family Could Raymond be the one However back in Arkansas her childhood buddy reappears on the scene Now a handsome and successful Pastor Jeremy makes himself available to help her in her search for her father and is very very attentive making her more confused than ever Perhaps one of these men will be her forever love Which one Or is there someone else on her horizon She won t know until she finds her father If she s not too late **The Farmer Family Album** Chester G. Thompson,2016-04-29 The Farmer Family Album is a wedding of fiction and non fiction that will bring you into the world of the Donkey Dan radio show that spanned four years of Sunday morning broadcasts The Farmer family is a family of mixed cartoon animals who blend together science fantasy family humor and a bit of religion Even though the characters are fictional they are taken from our real family friends and pets One of the most loved characters on the radio show was Tremor who appeared in nearly all of our stories The Farmer Family album stories are based on some of the actual life moments of our family The story about the donkey that believed God though mostly fictional has a very biblical ending to it This can be found in the Old Testament book of Judges Chapter 15 verses 15 16 and 17 In the Farmer Family album learn how the Donkey Dan show happened Also check out if Tremor gets caught by Bonkers Then find out about Gods creatures and how some of them do help us survive *Woodsqueer* Gretchen Legler,2022-02-15 Woodsqueer is sometimes used to describe the mindset of a person who has taken to the wild for an extended period of time Gretchen Legler is no stranger to life away from the rapid fire pace of the twenty first century which can often lead to a kind of stir craziness Woodsqueer chronicles her experiences intentionally focusing on not just making a living but making a life in this case an agrarian one more in tune with

the earth on eighty acres in backwoods Maine Building a home with her partner Ruth on their farm means learning to live with solitude endless trees and the wild animals the couple come to welcome as family Whether trying to outsmart their goats calculating how much firewood they need for the winter or bartering with neighbors for goods and services they hone life skills brought with them carpentry tracking and hunting wild game and other skills they learn along the way animal husbandry vegetable gardening woodcutting Legler s story is at times humbling and grueling but it is also amusing A homage to agrarian American life echoing the back to the land movement popularized in the mid twentieth century Woodsqueer reminds us of the benefits of living close to the land Legler unapologetically considers what we have lost in America in less than a century individually and collectively as a result of our urban mass produced technology driven lifestyles Illustrated with rustic pen and ink illustrations Woodsqueer shows the value of a solitary sojourn and both the pathway to and possibilities for making a sustainable meaningful life on the land The result for Legler and her partner is an evolution of their humanity as they become more physically emotionally and even spiritually connected to their land and each other in a complex ecosystem ruled by the changing seasons
