## **At The Border Called Hope:**

At the Border Called Hope Mary Jo Leddy, 1997-01-01      **A Journey Called Hope** Rick Rouse , 2024-08-13 Author Rick Rouse weaves a tapestry of immigrant experiences successes hopes challenges and dreams that have often unfolded amidst global conflicts and political polarization These narratives inspire compassion as these least of these search for a safe haven and discover how diversity enriches America and our faith While the American story aspires to be the story of welcome and refuge for all our history often tells a different story As wars are raging in Ukraine and the Middle East creating millions of refugees merely seeking safety American politics remains so polarized that the government appears deadlocked or unable to act on meaningful solutions to immigration policies In *A Journey Called Hope* author Rick Rouse shares the stories of immigrants from around the world to America their successes hopes challenges and dreams He explores how we can share our planet with the understanding that it is a matter of human dignity for all people to have a safe place to call home In sharing these inspiring stories and hope filled futures Rouse assures us the United States is still a nation of promise made richer by its diversity

**Sanctuary, Sovereignty, Sacrifice** Randy Lippert, 2011-11-01 Facing immediate deportation a lone Guatemalan migrant entered sanctuary in a Montreal church in December 1983 Thus began the practice of sanctuary in Canada By 2003 thirty six incidents involving 261 migrants had occurred nationwide *Sanctuary Sovereignty Sacrifice* closely examines sanctuary practice in Canada Randy Lippert suggests that far from being a coherent social movement sanctuary practice is a localized and isolated phenomenon and often not primarily religious in orientation It is also remarkably successful in every documented incident state authorities were kept at bay and providers avoided arrest In most cases migrants also ultimately received legal status Drawing on theories of governmentality Lippert traces the emergence of this practice to a shift in responsibility for refugees and immigrants from the state to churches and communities Here sanctuary practices and spaces are shaped by a form of pastoral power that targets needs and operates through sacrifice and by a sovereign power that is exceptional territorial and spectacular Correspondingly law plays a complex role in sanctuary appearing variously as a form of oppression a game and a source of majestic authority that overshadows the state A thorough and original account of contemporary sanctuary practice this book tackles theoretical and methodological questions in governmentality and socio legal studies concerning methodology nonliberal power the role of legal narratives and the nature of resistance *Sanctuary Sovereignty Sacrifice* will be of interest to scholars and students in socio legal studies criminology sociology political science social history anthropology and religious studies and will appeal to anyone interested in immigration and refugee law and policy

**Christianity and Migration** Peter C. Phan, Oxford Editor, 2025-10-07 This book essays a not the Christian theology of migration The phenomenon of human migration that is the movement of people to and settlement temporary or permanent in a new area or country its causes and reasons and its historical anthropological social political legal and cultural dimensions have been widely studied and reasonably well understood and the next chapter will

discuss them in detail By contrast theology as an academic discipline seems least capable of illuminating this human phenomenon It appears to most people outside the church and its educational institutions to be at best an esoteric subject and at worst a convoluted and useless mumbo jumbo especially when liberally sprinkled with Greek and Latin phrases Why not leave the study of migration to scholars in history sociology anthropology economics politics and law who albeit no less infected with highfalutin language than theologians do at least try to offer practical policies and effective strategies either for or against immigration Provided by publisher *Tactics of Hope in Latinx Children's and Young Adult Literature* Jesus Montaña,Regan Postma-Montaña,2024-06-01 Using Gloria Anzald a s theories of conocimiento as a critical lens the authors examine several literary works including Side by Side Lado a lado They Call Me G ero Land of the Cranes Efr n Divided and Gabi a Girl in Pieces *Border Line* Allan Winneker,2013-05 A story of murder kidnapping and drug trafficking brings to life the dangers faced by Border Patrol agents *The Border Elliots and the Family of Minto* George Francis Scott Elliot,1897 Bye-gones, Relating to Wales and the Border Counties ,1892 The Border Magazine Nicholas Dickson,William Sanderson,1918 **"The" History and Poetry of the Scottish Border** John Veitch,1893 The Hope Reports University of Oxford.
