At Work:

America at Work Edward E. Lawler, James O'Toole, 2008-05-13 This wide ranging volume brings together the commissioned papers that are the basis of James O Toole and Edward E Lawler s *The New American Workplace* their follow up to the groundbreaking 1973 *Work in America* report Here leading scholars in the fields of business management and human resources offer new research and insightful analyses of existing studies providing a definitive assessment of the state of the workplace today Covering wage trends worker health education and the workforce the effects of outsourcing careers human resources management and a variety of other vital issues this illuminating collection will prove indispensable for scholars professionals and policymakers

Democracy at Work Ruth Dukes, Wolfgang Streeck, 2022-10-12 In the countries of the global North workplace democracy may be thought of as a thing of the past Increasingly working relations are regulated primarily by contract workforces are fissured and fragmented What are the consequences of this How should we respond Ruth Dukes and Wolfgang Streeck argue that the time is ripe to restate the principles of industrial democracy and citizenship for the post industrial era Considering developments within political economy employment relations and labour law since the postwar decades they trace the rise of globalization and the dualization of labour markets the emergence of a core and periphery of workers and the progressive insulation of working relations from democratic governance What these developments amount to they argue is an urgent need for political intervention to tame the new world of gigging and other forms of highly precarious work This according to the authors will require far reaching institution building designed to fill legal concepts such as employment with political substance This eloquent call for a reimagining and renewal of the institutional and material conditions of freedom of association and the reinvention of industrial democracy will be crucial reading for anyone interested in work in the twenty first century

Alcohol at Work Lauren Booker, 2025-07-29 From uninsured losses to workplace injuries from absenteeism to addiction alcohol consumption can have a major impact on the workplace Lost productivity alone costs the UK economy more than 7 billion annually What s more the impact of alcohol abuse on the employee and those around them is a wellbeing issue that all employers need to be alert to especially with many now choosing to work from home *Alcohol at Work Tackling Workplace Drinking to Improve Wellbeing* will guide health and safety professionals through the practical steps that they can take to mitigate risk and improve wellbeing safeguarding and inclusivity The book explores key topics such as driving legislation the use of alcohol testing stressful jobs and designing and implementing an alcohol policy that uses practical examples that highlight common workplace scenarios It translates evidence based research into workable solutions using tools that enable organisations to influence workplace culture policies and practices so they can meet their legal obligations and ensure a thriving workforce It delves into the legal aspects of alcohol abuse at work offering treatment and adopting an alcohol and wellbeing policy for a business This comprehensive guide will help the reader to understand and adopt practices that mitigate the risks of employees developing an alcohol

problem and ensure that employers can tackle the issue head on should it arise This book is an essential read for any professional in occupational health and safety human resources business and management policy creation insurance and corporate governance

Violence at Work Martin Gill, Bonnie S. Fisher, Vaughan Bowie, 2013-01-11 In this book a distinguished international team composed of both academics and practitioners identify and address the key issues of workplace violence Overall this book provides a foundation on which to base ways of better explaining predicting understanding and preventing workplace violence

Mental health at work: policy brief World Health Organization, 2022-09-15 The primary objective of this product is to provide a brief practical guide of policy options to support national health and labour and workplace level policy makers to implement the evidence based recommendations of the forthcoming WHO guideline on mental health at work The policy brief describes the policy options required to prevent mental health conditions at work to promote mental health at work and to ensure people living with mental health conditions can access and effectively participate in line with the recommendations in the WHO guideline Similar to the WHO guideline on mental health at work the policy brief includes considerations for lower resourced settings The policy brief aims to increase the implementation of evidence based mental health prevention promotion and care for people who work or who aspire to work and are living with mental health conditions By doing so the product strengthens the enactment of WHO Comprehensive Mental Health Action Plan 2013 2030 WHO Global Strategy on Health Environment and Climate Change and International Labour Organization Conventions relevant to the area of mental health such as but not limited to the Occupational Safety and Health Convention

Youth at Work Stuart Tannock, 2001 Explores the significance of stopgap work and unionization for young service and retail workers in groceries supermarkets and fast food restaurants in Canada and the United States Concludes about the potential of unions to improve youths workplace conditions

Making Real Connections (HBR Women at Work Series) Harvard Business Review, Amy Gallo, Amy Edmondson, Tina Opie, Dorie Clark, 2022-02-22 Relationships built on trust matter Deep and meaningful connections especially with other women are critical to our careers and to our overall well being and happiness The bonds we build based on trust allow us to help one another learn and advance But high quality professional relationships are only possible with emotional openness and not all women especially those from underrepresented groups feel they can be vulnerable enough at work to develop these kinds of ties Making Real Connections provides the research advice and practical tips you need to go beyond small talk with your colleagues and shallow transactional networking to create professional relationships that are truly amazing This book will inspire you to Find authentic ways to grow your network Enjoy the rewards of having real friends at work while avoiding the pitfalls Seek out a sponsor or become one Navigate problems when work relationships become draining The HBR Women at Work Series spotlights the real challenges and opportunities women experience throughout their careers With interviews from the popular podcast of the same name and related articles stories and research these books provide inspiration and

advice for taking on issues at work such as inequity advancement and building community Featuring detailed discussion guides this series will help you spark important conversations about where we re at and how to move forward

The Rise of Mental Vulnerability at Work Ari Väänänen,2024-04-30 Since the 1960s a major mental health crisis has emerged among Western working populations By analysing the development of various occupational cultures and using extensive data sources this book captures the history of mental vulnerability in working life Through a study spanning several decades the book develops a new understanding of how mental vulnerability has evolved through changes to our working lives and socio cultural being It shows how our current knowledge about work disability and the psyche is influenced by our time and provides intertwining conceptual frameworks and alternatives to current canonised knowledge about mental health in working life
