**The Crippled Angel** Sara Douglass,2007-04-01 A sacrifice may cost a man his soul and doom all of humanity in this epic historical fantasy where angels and demons wage war on Earth The world that the former monk Thomas Neville knows is crumbling about him The Holy Mother Church of Rome is losing its power and men are coming to question the nature of religion and the role of those who rule them by sword and cross It is not merely the dawning of a new time for men to try to think and judge for themselves but a result of the rift in the fabric of the world where demons have escaped their prison and are trying to breach the very gates of heaven The great archangel Michael gave Thomas the task to find the demons dwelling in human form and expose their evil natures To accomplish this he had to turn his back on one set of vows and return to his noble connections In doing so he reunites with his childhood friend Harold Bollinbroke the fair young Prince Hal who might be more or less than he seems And he meets the fair young Margaret an enigmatic beauty who he takes to wife not out of love but as a means to discover if she is one of those who would destroy mankind Old friends a new love and temptations that will try his conscience And his soul For Thomas is beginning to think that all that he knows may not be true Faced with mortal love and friendships that he desperately wants and fears he knows that time is growing short And the choice that he makes will reshape the world

**The Crippled Angel , The Crippled Angel** Sara Douglass,2006-08-10 The world that the former monk Thomas Neville knows is crumbling about him The Holy Mother Church of Rome is losing its power and men are coming to question the nature of religion and the role of those who rule them by sword and cross Thomas knows that it is not merely the dawning of a new time for men to try to think and judge for themselves but it is a direct result of the rift in the fabric of the world where demons have escaped their prison and are trying to breach the very gates of heaven The great archangel Michael gave Thomas the task to find the demons who now dwell in human form and expose their evil natures To accomplish this he had to turn his back on one set of vows and return to his once lofty noble connections In doing so his life is caught up with his childhood friend Harold Bollinbroke the fair young Prince Hal who might be more or less than he seems And he meets the fair young Margaret an enigmatic beauty who he takes to wife not out of love but as a means to discover if she is one of those who would destroy mankind Old friends a new love and temptations that will try his conscience And his very soul For Thomas is beginning to think that all that he knows may not be true Faced with mortal love and friendships that he desperately wants and fears he knows that time is growing short And the choice that he makes will reshape the world

Reaves,2007-11-05 Diane Reaves attempts to share the painful events of her personal tragedies endured as a survivor of severe child abuse at the hands of her own mother As well as enduring the violent suicide of her father Wishing to convey to many other survivors their own ability to forgive the unforgivable Believing that all survivors have the chance to break the

cycle instead of repeating it With each story shared this survivor hopes to teach others that something good can come out of something bad

Good Measure Robert Morgan,1993-04-01 Robert Morgan a native of the North Carolina mountains and a widely published poet has been writing essays about his craft for more than twenty years This book brings together some of his most thought provoking pieces reflections upon poetry from the dual perspective of poet and critic Morgan begins by examining in succinct and challenging essays the elements of poetry and poetry writing in general emphasizing the poet s responsibility to provide as the title suggest good measure Good measure Morgan cautions means neither facile spontaneity nor the sort of politicization that most often he says forces poets into poses of stylized enlightenment and response Morgan goes on to discuss specific poets with a craftsman s calm authority His reflections upon the American tradition in poetry include a tribute to William Cullen Bryant an illuminating piece on Robinson Jeffers and studies of the contemporary poets A R Ammons Russell Edson and Fred Chappell His look at individual poets also includes dazzling close readings of piece by the French poet Jean Follain In The Transfigured Body and Mica Morgan presents excerpts form his own notebooks meditations jotted down during the process of composing poems These notes made in passing provide intriguing insights into the work of poetry Finally there are interviews with Morgan by other poets lively discussion of southern writing the experience of being a poet in America today and the influence of Morgan s Appalachian background on his own vocation and career as a poet Good Measure sparkles with honesty deep intelligence and most of all Morgan s conviction that a passionate striving for a unattainable perfection is its own reward The indifference of the public the success of the third rate the scorn of critical theorists for whom literary quality is irrelevant none of these is an excuse for not saying the truth with wit and for not making poems that will shine long after we have ceased our worry and hope Poets scholars and casual readers alike will find Good Measure a rich source of inspiration and wisdom

Conrad's Angel Stuart Slade,2018-10-05 Conrad de Llorente Inquisitor A Soul Eternally Damned After centuries tormented by guilt Conrad s work saving the innocent finally won him a measure of peace and at least some of the Redemption he craves Now respected by his peers he lives in Bangkok and carries on his work protecting those unjustly condemned and who have nowhere else to turn It is here that he faces his greatest ever challenge a young woman who survived a horrifying attack as a child and has now become a career criminal Conrad faces a new and unprecedented challenge Knowing that Angel was betrayed by her family and believing his Church was responsible for the path her life has taken he feels obliged to try and save her soul Yet how does he go about saving somebody who does not want to be saved and redeeming a soul that spurns redemption Driven by the principle of hating the sin but loving the sinner Conrad accepts this new challenge and is determined to save Angel s soul if necessary at cost of his own
