Crisis In The Sky:

A Crisis in the Sky Marc B. DeGeorge,2023-09-18 Beyond the sky there is hope And danger The rocket is ready and the promise of a new future awaits Toume and Chi s exploration of space Yet that dream is turning desperate Drought afflicts many islands and the resources needed to repair the wells are becoming scarce Only the launch can save many from dying of thirst Then an unknown menace from space more powerful and more oppressive than anything Toume has ever known threatens to disrupt any chance he has at saving his planet They deliver an ultimatum do not leave the planet or annihilation will come But this threat does not unite the clans against it The Ihaashe and the Vaghka seek to take advantage of the situation and their scheming drives a rift between Toume and Karima and their alliance and there is little time to repair it Toume must fight to save his planet but only if he can save himself first *Crisis in the Sky* James F. Revealing Britain's Systemic Racism Kimberley Ducey, Joe R. Feagin, 2026-01-22 Revealing Britain's Systemic Racism applies an existing scholarly paradigm systemic racism and the white racial frame to assess the implications of the Duchess of Sussex's entry and place in the British royal family including an analysis that bears on visual and material culture The white racial frame as it manifests in the UK and internationally represents an important lens through which to map and examine contemporary racism and related inequities By questioning the long held but largely anecdotal beliefs about racial progressiveness in the UK the authors provide an original counter narrative about how Meghan's experiences as a black biracial member of the British royal family help illumine contemporary forms of white racism in Britain Revealing Britain's Systemic Racism identifies and documents the plethora of ways systemic racism continues to shape ecological and institutional spaces in the UK and beyond Here Kimberley Ducey and Joe R Feagin challenge romanticized notions of racial inclusivity by applying Feagin's long established theoretical work on systemic racism aiming to make a unique and significant contribution to literature in sociology and in various other disciplines The second edition of this book continues and updates the saga of Meghan's experiences underscoring the myriad ways systemic racism continues to shape spaces in the UK and beyond and especially detailing how most white Britons continue to cling to colorblind myths about their officially democratic country as the white mainstream British media deny the extensive racism that people of color still face

The Fall and Rise of the British Left Andrew Murray, 2019-10-22 The return of British socialism Where does it come from Why now And where is it going The remarkable advance of Corbynism did not emerge from nowhere It is the product of developments in
