Crisis Of The Old Order:

The Crisis of the Old Order, 1919-1933 Arthur Meier Schlesinger, 1988 The Crisis of the Old Order 1919 1933 volume one of Pulitzer Prize winning historian and biographer Arthur M Schlesinger Jr s Age of Roosevelt series is the first of three books that interpret the political economic social and intellectual history of the early twentieth century in terms of Franklin D Roosevelt the spokesman and symbol of the period Portraying the United States from the Great War to the Great Depression The Crisis of the Old Order covers the Jazz Age and the rise and fall of the cult of business For a season prosperity seemed permanent but the illusion came to an end when Wall Street crashed in October 1929 Public trust in the wisdom of business leadership crashed too With a dramatist s eye for vivid detail and a scholar s respect for accuracy Schlesinger brings to life the era that gave rise to FDR and his New Deal and changed the public face of the United States forever The Crisis of the Old Order Arthur Meier Schlesinger, 1957 *The Crisis of the Old Order 1919-1933*, 1957 **The Crisis of the Old Order 1919-1933** Arthur M. Schlesinger, 2003-07-09 A prize winning historian looks at FDR in the years from the Great War to the Great Depression Full of personalities and anecdotes and humor and drama The New York Times The Crisis of the Old Order 1919 1933 volume one of Pulitzer Prize and National Book Award winning historian and biographer Arthur M Schlesinger Jr s Age of Roosevelt series is the first of three books that interpret the political economic social and intellectual history of the early twentieth century in terms of Franklin D Roosevelt the spokesman and symbol of the period Portraying the United States from the Great War to the Great Depression The Crisis of the Old Order covers the Jazz Age and the rise and fall of the cult of business For a season prosperity seemed permanent but the illusion came to an end when Wall Street crashed in October 1929 Public trust in the wisdom of business leadership crashed too With a dramatist s eye for vivid detail and a scholar s respect for accuracy Schlesinger brings to life the era that gave rise to FDR and his New Deal and changed the public face of the United States forever While a lot of ink has been spilled profiling FDR Schlesinger s three volume work remains among the best efforts Library Journal Probably no more thoughtful or surgical or compassionate study of the period in the United States has ever been written The New Yorker **Franklin D. Roosevelt** Robert Dallek, 2018-11-06 Named a Best Book of the Year by The Washington Post and NPR We come to see in FDR the magisterial central figure in the greatest and richest political tapestry of our nation s entire history Nigel Hamilton Boston Globe Meticulously researched and authoritative Douglas Brinkley The Washington Post A workmanlike addition to the literature on Roosevelt David Nasaw The New York Times Dallek offers an FDR relevant to our sharply divided nation Michael Kazin Will rank among the standard biographies of its subject Publishers Weekly A one volume biography of Roosevelt by the 1 New York Times bestselling biographer of JFK focusing on his career as an incomparable politician uniter and deal maker In an era of such great national divisiveness there could be no more timely biography of one of our greatest presidents than one that focuses on his unparalleled political ability as a uniter and consensus maker Robert Dallek s Franklin D Roosevelt A Political Life takes a

fresh look at the many compelling questions that have attracted all his biographers how did a man who came from so privileged a background become the greatest presidential champion of the country's needy How did someone who never won recognition for his intellect foster revolutionary changes in the country's economic and social institutions How did Roosevelt work such a profound change in the country's foreign relations For FDR politics was a far more interesting and fulfilling pursuit than the management of family fortunes or the indulgence of personal pleasure and by the time he became president he had commanded the love and affection of millions of people While all Roosevelt's biographers agree that the onset of polio at the age of thirty nine endowed him with a much greater sense of humanity Dallek sees the affliction as an insufficient explanation for his transformation into a masterful politician who would win an unprecedented four presidential terms initiate landmark reforms that changed the American industrial system and transform an isolationist country into an international superpower Dallek attributes FDR's success to two remarkable political insights First unlike any other president he understood that effectiveness in the American political system depended on building a national consensus and commanding stable long term popular support Second he made the presidency the central most influential institution in modern America's political system In addressing the country's international and domestic problems Roosevelt recognized the vital importance of remaining closely attentive to the full range of public sentiment around policy making decisions perhaps FDR's most enduring lesson in effective leadership
