Eve/Frontline Ryō Sawayama, 2014 **A Subject Index to Current Literature** Australian Public Affairs Information Service, *The Routledge Companion to Qualitative Accounting Research Methods* Zahirul Hoque, Lee D. Parker, Kathryn Haynes, 2017-03-31 Selecting from the wide range of research methodologies remains a dilemma for all scholars not least those looking to study the world of accounting Both established and emerging research methods are frequently advocated creating a challengingly broad range of choices Covering a selection of qualitative methodological issues research strategies and methods this comprehensive compilation provides an essential guide to the choice and execution of qualitative research approaches in this field The contributions are grouped into four sections Worldview and paradigms Methodologies and strategies Data collection methods and analysis Experiencing qualitative field research personal reflections Edited by leading scholars with contributions from experts and rising stars this volume will be essential reading for anyone looking to undertake research in the qualitative accounting field *The Routledge Companion to Accounting History* John Richard Edwards, Stephen Walker, 2020-04-15 The Routledge Companion to Accounting History presents a single volume synthesis of research in this expanding field exploring and analysing accounting from ancient civilisations to the modern day No longer perceived as the narrow study of how a mysterious technique was used in past the scope of accounting history has widened

substantially This revised and updated volume moves beyond the history of accounting technologies accounting theories and practices and the accountants who applied them Expert contributors from around the world explore the interfaces between accounting and the economy society culture and the polity Accounting history is shown to offer important insights into such disparate phenomena as the evolution of capitalism control of labour gender and family relationships racial exploitation the operation of religious organisations and the functioning of the state Illuminating the foundation and development of accounting systems this updated classic book opens the field to a new generation of accounting scholars and historians around the world *Counterpoint, Perspectives on Asian America*, 1976 *Precarious Constructions* Vanessa A. Rosa, 2023-11-06 This sharply argued book posits that urban revitalization making better city living spaces from those that have been neglected due to racist city planning and divestment is a code word for fraught state managed gentrification Vanessa A Rosa examines the revitalization of two Toronto public housing projects Regent Park and Lawrence Heights and uses this evidence to analyze the challenges of racial inequality and segregation at the heart of housing systems in many cities worldwide Instead of promoting safety and belonging Rosa argues that revitalization too often creates more intense exclusion But the story of these housing projects also reveals how residents pushed back on the ideals of revitalization touted by city officials and policymakers Rosa explores urban revitalization as a window to investigate broader questions about social regulation and the ways that racism classism and dynamics of inclusion exclusion are foundational to liberal democratic societies particularly as scholars continue to debate the politics of gentrification at the local level and the politics of integration and multiculturalism at the national level **Proceedings of the Twenty-third Annual Adult Education Research Conference, April 1-3, 1982, Lincoln, Nebraska**, 1982 **Homesteading in New York City, 1978-1993** Malve von Hassell, 1996-01-30 Provides insights into the dynamics and potentials of poverty driven community based housing initiatives **A Catalog of the Louis and Nancy H. Dupree Collection** Avinash C. Maheshwary, 1994 *Center*, 1989 *Saturday Review of Literature*, 1926 *The Prize* Daniel Yergin, 1992 Chronicles the history of the oil industry and the forces that have shaped the modern world Monographic Series Library of Congress, 1982 *The Critical Response to Gloria Naylor* Sharon Felton, Michelle Loris, 1997-09-23 As the author of *The Women of Brewster Place* *Linden Hills* *Mama Day* and *Bailey's Cafe* Gloria Naylor is widely respected as one of the most important contemporary African American women writers This volume provides comprehensive coverage of the critical response to her works The book is divided into sections devoted to each of Naylor's novels Within each section seminal articles and book chapters comment on her writing Special attention is given to African American and feminist perspectives on her canon In addition many of the essays discuss the relationship of Naylor's novels to the works of classical authors such as Chaucer Dante and Shakespeare and to significant modern writers thus the volume charts her sources and influence While some of the essays have appeared previously and are among the most important responses to her writings the book also includes several original pieces An exclusive interview
