The Making of Sikh Scripture Gurinder Singh Mann,2001 The Adi Granth the primary scripture of the Sikhs comprises approximately 3000 hymns This work attempts to construct a comprehensive picture of the making of Sikh canon drawing on the recently discovered early manuscripts as well as the extensive secondary literature on the topic Beyond Tolerance Allen McKiel,2007 The author presents beliefs language and practices that some of the world religions have in common with Christianity and compares them with Scripture He states in the preface that the positions of this book have been derived from his reading of Scripture The first ten chapters compares Christian Scripture with other world religions the second ten chapters present teaching of the Baha i Faith concerning global community The author identifies himself as a member of the Baha i Faith **Historical Dictionary of Sikhism** W. H. McLeod,2005-07-21 Contrary to popular opinion there is more to Sikhism than the distinctive dress First of all there is the emergence of Guru Nanak the founder of Sikhism and the long line of his successors There are the precepts many related to liberation through the divine name or nam There is a particularly turbulent history in which the Sikhs have fought to affirm their beliefs and resist external domination that continues to this day There is also more recently the dispersion from the Punjab throughout the rest of India and on to Europe and the Americas With this emigration Sikhism has become considerably less exotic but hardly better known to outsiders This expanded and updated second edition of the dictionary is an excellent place to learn more about the religion It provides a chronology of events a brief introduction that gives a general overview of the religion and a dictionary with several hundred

entries which present the gurus and other leaders trace the rather complex history expound some of the precepts and concepts describe many of the rites and rituals and explain the meaning of numerous related expressions All this along with a copious bibliography provides readers with an informative and accessible guide toward understanding Sikhism **Journal of Sikh Studies** ,2005 **The Mystic Melodies of Shaikh Farid** Pritapāla Singh,2002 On the works of Shaikh Farid uddin 1175 1265 Panjabi Sufi poet includes selections translated into English **Accessions List, India** Library of Congress.
