Croatian Composer Notes Toward The Study Of Joseph Haydn:

A Croatian Composer W. H. Hadow, 2015-06-24 Excerpt from *A Croatian Composer Notes Toward the Study of Joseph Haydn* The materials for this essay have been almost entirely gathered from two works by Dr Frantisek S Kuhac the one his collection of South Slavonic Folksongs the other a pamphlet upon Joseph Haydn Indeed so greatly am I indebted to them that the essay would not have been written had it been possible to present them to the reader more directly All that has been added is a certain re arrangement of the data a certain amount of commentary and exposition and a few supplementary facts which happen to have come within my reach I should state that during a recent visit to Croatia I saw Dr Kuhac who most kindly gave me full permission to make use of his results and augmented the gift with much valuable information About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **A Croatian Composer** William Henry Hadow, 1897 **CROATIAN COMPOSER** W.
