## **Crossing Sidelines Crossing Cultures:**

Crossing Sidelines, Crossing Cultures Joel Franks, 2009-12-02 Since *Crossing Sidelines Crossing Cultures* was originally published in 2000 new findings in Asian Pacific American sports have come to light Moreover Americans of Asian Pacific ancestry have made the sports world incredibly more exciting than before *Crossing Sidelines Crossing Cultures* tells intriguing tales of athletes now often forgotten such as aquatic legend Duke Kahanamoku diving gold medalist Vicki Manalo courageous female golfer Jackie Liwai Pung and baseball pioneer Buck Lai It explores how Asian Pacific Americans have asserted a vibrant joyful sense of community through sports while encountering racism and nativism Since 2000 talented athletes of Asian Pacific ancestry have emerged athletes such as the great Tiger Woods but also Tim Lincicum Troy Polamalu Bryan Clay Natasha Kai and Logan Tom These athletes have chipped away at prevailing stereotypes and their stories too will be told in this second edition of *Crossing Sidelines Crossing Cultures* *The Integration of the Pacific Coast League* Amy Essington, 2018-06-01 While Jackie Robinson's 1947 season with the Brooklyn Dodgers made him the first African American to play in the Major Leagues in the modern era the rest of Major League Baseball was slow to integrate while its Minor League affiliates moved faster The Pacific Coast League PCL a Minor League with its own social customs practices and racial history and the only legitimate sports league on the West Coast became one of the first leagues in any sport to completely desegregate all its teams Although far from a model of racial equality the Pacific Coast states created a racial reality that was more diverse and adaptable than in other parts of the country *The Integration of the Pacific Coast League* describes the evolution of the PCL beginning with the league's differing treatment of African Americans and other nonwhite players Between the 1900s and the 1930s team owners knowingly signed Hawaiian players Asian players and African American players who claimed that they were Native Americans who were not officially banned In the post World War II era with the pressures and challenges facing desegregation the league gradually accepted African American players In the 1940s individual players and the local press challenged the segregation of the league Because these Minor League teams integrated so much earlier than the Major Leagues or the eastern Minor Leagues West Coast baseball fans were the first to experience a more diverse baseball game Crossing Cultures Henry W. Knepler, Myrna Knepler, 1987 Too often it is difficult to find an anthology that offers high interest readings that stress cultural differences Readers will have to look no more with the fifth edition of this highly successful book of readings *Crossing Cultures* introduces readers to a wide variety of cultures in the United States Because we need to look at other cultures to define our own one complete section emphasizes cultures elsewhere Each selection has been chosen because it is a good read with an engaging subject and style Each chapter begins with a short personal reading moves to more difficult pieces and ends with a poem Ideal for those seeking a multicultural anthology for their libraries **Crossing Cultures** Janet Borsbey, 2007 Sport and the American Occupation of the Philippines Gerald R. Gems, 2016-08-05 This interdisciplinary case study invokes historical sociological and anthropological

means to examine the ascendance of the United States to a world power in its first imperial venture In the aftermath of the Spanish American War of 1898 the U S acquired and occupied the Philippine Islands for nearly a half century in an attempt to install a democratic form of government a capitalist economy the Protestant religion and a particular value system Sport became a primary means to achieve such goals fostered initially by the military and then widely promoted in the schools and the YMCA Competitive programs including international athletic spectacles channeled Filipino nationalism against Asian rivals rather than the American occupiers as guerrilla warfare ensued in the islands The strategies learned in the Philippines now known as soft power remain prominent factors in current American foreign policy

**California and the Making of Modern Sport** Joel S. Franks, 2025-09-30 This book examines the importance of California a socio cultural economic and political powerhouse in the history of modern sport It argues that California has had a profound influence for better or worse on the way that not only America but also the wider world plays sport and spends money to watch others play The book traces the history of sport in California from the mid nineteenth century to the present and looks at how the state s historical development its climate and its unique racial and ethnic demographics have influenced sport at the elite level and in the wider community It considers the importance of spatial politics and cultural citizenship in the development of Californian sport and tells the story of how franchises such as the 49ers and the Lakers as well as individual athletes such as Jackie Robinson and Billie Jean King have had a profound influence on the way their sports have been consumed across America and in the wider world The book also takes a close look at the impact of mega sporting events in the Californian story providing historical context for the LA 2028 Olympic Games and tracing the full arc of the Californization of modern sports This is fascinating reading for anybody with an interest in sport history American history social and cultural history or the relationship between sport and wider society *American Book Publishing Record* ,2000

**A Beginner's Guide to Crossing Cultures** Patty Lane, 2002-05-08 Crosscultural specialist Patty Lane shows you how to develop hands on relational skills that help build crosscultural friendships noting practical resources for navigating multicultural environments with sensitivity and savvy *Crossing Cultures* Henry Knepler, 1987 [Book Review Index](#) ,2003 Vols 8 10 of the 1965 1984

master cumulation constitute a title index [The Art of Crossing Cultures](#) Craig Storti, 2011 [Frontiers of Capital](#) Melissa

S. Fisher, Greg Downey, 2006-10-31 Ethnographies exploring how cultural practices and social relations have been altered by the radical economic and technological innovations of the New Economy **Directory of Scholars Identifying with the**

**History of Sport** ,2001 [Asian and Pacific Migration Journal](#) ,2001 [Sports in North America: Sports, prosperity, conformity, cultural stirrings, 1950-1960](#) Thomas L. Altherr, Larry K. Menna, 2004 [Remapping Asian American History](#)

Sucheng Chan, 2003 Remapping Asian American History exemplifies the emerging trends in the writing of Asian American history and fills substantive gaps in our knowledge about particular Asian ethnic groups Edited by noted scholar Sucheng Chan the essays in this volume uses new frameworks such as transnationalism the political contexts of international

migrations and a multipolar approach to the study of contemporary U S race relations These concerns often ignored in earlier studies that focused on social and economic aspects of Asian American communities challenge some long held assumptions about Asian American communities and point to new directions in Asian American historiography Historians students and teachers of anthropology Asian and Asian American Studies race and ethnic studies U S immigration history and American Studies will find this collection invaluable **Amerasia Journal** ,2015 Re-presenting Koreatown Anna Joo Kim,2006 **Pacific Studies** ,2006 Papers form a formal symposium which convened in February 2005 during the annual meetings of ASAO on Lihue Kauai Island Hawaii *Whose Baseball?* Joel S. Franks,2001-05-09 *Whose Baseball* expands the boundaries of baseball history by including the experiences of culturally diverse Californians In doing so it relates the history of baseball in California to social changes taking place in the Golden State from the Gold Rush to the eve of World War II This volume demonstrates how baseball has helped to bridge substantial differences between social and cultural groups and at the same time reminds readers of the oppressive power relations buried in the way baseball has been played organized and observed in America Readers interested in baseball history or the history of the state of California will find this an excellent resource
