## **Crossing The Lines A Novel:**

Crossing Lines Nichole Chase,2018-08-15      Crossing Lines Madhavi Devasher,2024-04-24 This book explains why how and where ethnic political parties unexpectedly seek votes from non coethnics and when voters support non coethnic parties It draws on case studies of three Indian states Uttar Pradesh Punjab Rajasthan and of Indian national elections to demonstrate how differences in party systems impact political party strategies and voter choices It shows that multipolar party systems encourage political parties to provide physical security representation and economic benefits for minorities especially Muslims in India and as a result foster cross ethnic links between parties and voters However as political arenas become dominated by two or even one party advocacy for the interests of marginalized groups declines weakening cross ethnic linkages The book thus explains why representation and advocacy for Muslims in Uttar Pradesh and at the national level has alternated dramatically in the 21st century Based on original fieldwork and supplemented by existing surveys and secondary sources from the 1990s to the present day the book addresses critical themes such as inclusion and substantive representation in a democracy caste and minority politics ethnic violence and inter ethnic linkages between politicians and voters Demonstrating why political parties support and protect the interests of marginalized ethnic groups in certain political conditions but not others the volume also speaks to larger questions of the health of multiethnic democracies and democratic backsliding around the world

**Crossing Lines in the Sand** Sandra Moody Blackmon,2020-04-08 It s a beautiful thing when love comes together and the two find something in common to build on But when love crosses society s theoretical laws it can be a battle Crossing Lines in the Sand Feels Like Chocolate is a love story which challenges society s double standard rule about older women in relationships with younger men Dan E Magic worked at the local seafood restaurant The Seawater while embarking on a career in hip hop entertainment all the while catching the eye of most of the female staff one being more than twice his age Widowed mother of three Kayth Mitchell can t keep her mind off of the young man even though many would scorn her for her behavior But despite that fact the two found a challenging connection and begin flirting towards that end until Dan E in an impromptu manner and without any explanation quit his job Then about a year or so later they run into each other and spent that day on the beach This synchronicity moment had revived their interest Though their long and beautiful sometimes happy sometimes stormy relationship was rocked with people still gossiping pointing fingers and passing judgment because of their extreme age differences and life style with living in a mansion behind a concrete fortress in the desert and a yellow rose for forgiveness and their love feast adventures they had managed to survive Now facing one of the couple s darkest periods investigative reporter Darlene Grey has been given permission to enter the Magic s vast desert compound to record a tell all interview However a skeptic in her own right because of her own turbulent and emotional journey her deep seated pain and irrational theory about love kept Ms Gray from taking this assignment too seriously Although this couple has experienced much joy and strife over the years Kayth feels that its time for the world to know their full story and yet this incidental memoir was also Kayth s attempt at solidifying her own belief that in spite of societies objections and theories and regardless of their outcome even if they must live behind the gate of a fortress the world needed to know that the Magic s life will still feel like the spirit of love the feeling of Chocolate Outers' Book-recreation ,1918 **Crossing Lines** Paul
