Bill Openshaw, 2025-05-05 The military engagements that occurred at Lexington and Concord on 19th April 1775 have been well documented and written about over the last 250 years One man who was present at the famous clash of arms was General Lord Percy This aristocratic officer saved the beleaguered British detachment from a humiliating surrender or worse and fought his way back to Boston in a maelstrom of bloodshed Not only did Percy earn credit from the British authorities but also from the rebels Likewise Percy was among the first to give respect to the fledgling rag tag American Army and wrote whoever looks upon them as an irregular mob will find themselves much mistaken Although much has been written about the Revolutionary War little has been from a British point of view Within the archives of Percy's ancestral home at Alnwick Castle in Northumberland there lies a treasure trove of documentation the greater part of which has never before been published After careful selecting and transcribing many letters and extracts from journals etc Bill Openshaw has woven them into a narrative of the events around Boston as they unfolded On the eve of the 250th anniversary of the beginning of the American Revolution Lord Hugh Percy's voice can now once more be heard and allow a different understanding of the war In addition newly discovered letters from an officer of the 5th Foot have been published for the first time Captain William Charleton adds his voice to the British perspective of the occurrences in Boston including Bunker Hill where he was wounded      *Historic Houses of the United Kingdom* ,1892      A

Up and Down Stairs Jeremy Musson,2009-11-12 Country houses were reliant on an intricate hierarchy of servants each of whom provided an essential skill Up and Down Stairs brings to life this hierarchy and shows how large numbers of people lived together under strict segregation and how sometimes this segregation was broken as with the famous marriage of a squire to his dairymaid at Uppark Jeremy Musson captures the voices of the servants who ran these vast houses and made them work From unpublished memoirs to letters wages newspaper articles he pieces together their daily lives from the Middle Ages through to the twentieth century The story of domestic servants is inseparable from the story of the country house as an icon of power civilisation and luxury This is particularly true with the great estates such as Chatsworth Hatfield Burghley and Wilton Jeremy Musson looks at how these grand houses were for centuries admired and imitated around the world      *Historic Houses of the United Kingdom* Charles Edwardes,1892      **Abbeys, Castles, and Ancient Halls of**
