Chris Notes Chris Thomas,2021-04-29 *Chris Notes* By Chris Thomas When you re a Christian the world should know it It s true that actions speak louder than words especially when it comes to witnessing And relationships are critical to building bridges of trust between believers and those who don t know Christ If we are to be like Jesus we must follow His example by showing others how much we care for them A war for our souls is underway The enemy is Satan And there s only one army standing in his way the blood bought church of the Lord Jesus Christ So let *Chris Notes* inspire you to establish common ground build relationships that can be powerfully used by God and live a lifestyle that brings Christianity to the world With His nail pierced hands cupped in urgency only one unanswered question remains Will you be obedient to Christ s Call before it s too late
