Along The Gold Rush Trail:

Along the Gold Rush Trail Gail Wilson Kenna,1982 Eugene hears the West calling to him and sets out for California and the 1849 Gold Rush The trip is long and hard It is a journey to adulthood as well as to a new world *Hard Road West* Keith Heyer Meldahl,2012-01-11 The dramatic journeys of the 19th century Gold Rush come to life in this geologist s tour of the American West and the events that shaped the land In 1848 news of the discovery of gold in California triggered an enormous wave of emigration toward the Pacific The dramatic terrain these settlers crossed is so familiar to us now that it is hard to imagine how frightening even godforsaken its sheer rock faces and barren deserts once seemed to them *Hard Road West* brings their perspective vividly to life weaving together the epic overland journey of the covered wagon trains and the compelling story of the landscape they encountered Taking readers along the 2 000 mile California Trail Keith Meldahl uses settler s diaries and letters as well as his own experiences on the trail to reveal how the geology and geography of the West shaped our nation s westward expansion He guides us through a landscape of sawtooth mountains following the meager streams that served as lifelines through an arid land all the way to California itself where colliding tectonic plates created breathtaking scenery and planted the gold that lured travelers west in the first place Alternates seamlessly between vivid accounts of the 19th century journey and lucid explanations of the geological events that shaped the landscape traveled Library Journal *On the Gold Rush Trail* Carl Nolte,1998 *The Oregon Trail: Gold Rush!* Jesse Wiley,2019 A pioneer heads west on the Oregon Trail in search of gold in a book where the reader s choices determine the outcome of the expedition **The Settlement of America** James A. Crutchfield,Candy Moutlon,Terry Del Bene,2015-03-26 First Published in 2015 This encyclopaedic collection includes Volumes 1 A L and 2 M Z as well as essays on the settlement of America It can be argued that the westward expansion occurred only one week after the English landfall at Jamestown Virginia on May 14 1607 Beginning on May 21 Captain John Smith one of the colonization company s leaders and twenty one companions made their way northwest up the James River for some 50 or 60 miles 80 or 96 km **Gold Rush!** Jesse Wiley,2019 You re in the middle of the Gold Rush pioneer and you are headed West on the Oregon Trail with hopes to strike it rich in this choose your own trail experience Westward ho **Parks** ,1976 **Final Environmental Statement** United States. Bureau of Land Management,1979 **On the Trail to the California Gold Rush** Alonzo Delano,2005-01-01 Lured by the astonishing accounts of the vast deposits of gold in California Alonzo Delano 1806 74 of Ottawa Illinois bid farewell to his wife and children and joined the rush to El Dorado For the next five months April to early September 1849 he persevered in writing his remarkably detailed diary recounting his experiences among the more than thirty thousand goldseekers representing all thirty states who struggled across half of the continent to California s gold fields With each entry the reader is drawn into the changing circumstances from a hurried trailside burial of a comrade to a defense against an Indian attack from suffering thirst in the desert to anger at a lazy campmate Unlike most diarists who at the end of the epic journey gave up their

demanding task Delano continued his vivid account until the summer of 1851 He went on to report as a professional journalist ranging far and wide across the scenes of life in the diggings and the cities from prospecting along the Yuba River to witnessing lynch law in San Francisco First published in 1854 as *Life on the Plains and among the Diggings* and deemed a California Gold Rush classic this new edition will carry on the adventure for thousands of new readers **To The Yukon and Beyond Along the Gold Rush Trail** Daniel S. Holder,2016-11-22 SHARING THE EXPERIENCE AND THE HISTORY At twenty one a young man still in college Dan Holder had an opportunity for adventure when his older stepbrother Kyn asked him to join an expedition Along with Kyn s wife Ella and Kyn s sister Nance they traveled in a small boat over 1 200 miles down the Yukon River through Canada s Yukon Territory and into Alaska That was in 1966 well after the gold rush of 1898 when the river had been heavily traveled by gold seekers aboard small rafts hand sewn rowboats some with sails and large stern wheelers In 1966 the Yukon was basically a wilderness river with a few widely separated small towns along its shore a number of deserted cabins left by trappers and prospectors and deserted trading posts Birds and bears were plentiful There were no guided tours at that time The many branching channels of the Yukon Flats downriver from Dawson were a serious challenge Now as an author he shares with his readers that experience and the historical background that puts it in perspective The author also shares the experience of going back to Alaska with Kyn in 1971 on a fifty five foot fishing boat In Seattle they rerigged the boat from a seiner to a salmon troller They followed the gold rush route north to brave the challenges of fishing offshore on the Mt Fairweather fishing grounds He shares the excitement of nearly being swept onto the rocks by huge waves in a treacherous inlet and riding out hurricane force winds and thirty to forty foot waves offshore After leaving the boat he hiked alone over the infamous Chilkoot trail reaching the snow covered summit of the Chilkoot Pass near midnight in the Artic twilight on the longest day of the year not knowing if the trail would be passable In 2002 the author and his wife Sybille retraced some of the early Alaska fishing voyage on a cruise ship It was a very different kind of a trip but it brought back old memories and generated a few exciting new ones If you enjoy firsthand adventure and if you are intrigued by the atmosphere and the history of the Pacific Northwest then you should really enjoy this book Outing ,1920
