Alphabet Belonging to Christ Anne B. Chason, 1995-12-01 **Christ's Will** Samael Aun Weor, 2025-01-01

Throughout the aeons fear and the longing for security enslaved the body of will turning it into a personal defensive barrier Fear and the longing for security have transformed human will into a wretched victim The moment has arrived to liberate your human will from the horrible prejudices and tenebrous ancestral fear and tendencies Rejoice oh buddha since now your human will shall become Christ s will Christ s will is heroic Christ s will only bows and kneels before the will of the Father Samael Aun Weor Those who have completed the first four Initiations of Major Mysteries must begin the fifth the creation of the causal body which is related with willpower Through the first four initiations the initiate raised the kundalini in the physical body vital body astral body and mental body making the Innermost a Buddha Now with the fifth serpent of fire the will of the Human Soul Tiphereth must reflect the will of the Father Chesed so that the will of Christ can be finally emerge As the kundalini rises through each vertebra of the spinal column the initiate must pass tests that are symbolized in the first thirty three arcana of the Tarot When completed the human will becomes Christ s will Then one is prepared for the incarnation of Christ and the entrance into the straight path the path of the bodhisattva upon which as Christ s will one performs great sacrifices for suffering humanity The fundamental objective of our esoteric studies is to reach Christification

The inner Christ is what counts Unfortunately people only think about an historical Christ and this is how they separate themselves from reality They forget that Christ is what is which always has been and what will always be They forget that Christ is the life that beats in each atom as it beats in each Sun They forget that Christ vibrates from instant to instant from moment to moment To incarnate Christ is fundamental Samael Aun Weor *Why Science and Faith Belong Together* Malcolm A. Jeeves,2021-02-25 As we try to understand ourselves and the world we live in all too often we look first to science and then if gaps remain in our understanding we try to fill the gaps with reference to God and our faith Such a god of the gaps approach has a long history and is sadly alive and well today This book was written to provide an alternative approach posing this basic question How can educated Christians maintain their intellectual honesty and at the same time be faithful both to Scripture and to science This book provides examples of some of the liveliest science vs faith issues today and suggests ways to think constructively about each of them **Life and Correspondence a Biological Study** Willard Fiske,1925 *Collins' Graphic English dictionary, ed. by A.M.
