Alpine Escape:

The Alpine Escape Mary Daheim, 1995-03-01 THE EDITOR OF THE ALPINE ADVOCATE GOES DIGGING FOR A MURDERER At forty two newspaperwoman Emma Lord decides she needs time off to do some soul searching But her old Jag breaks down in the picturesque Pacific Northwest town of Port Angeles and instead of finding herself she s helping friends find the truth about a grisly discovery a skeleton in their basement The bones belong to those of an unknown young woman buried in a crumbling mansion nearly a century ago A crushed skull a garnet earring a locket containing a telltale keepsake all whisper of tragedy Ancient photographs reveal more But Emma has to fish in dark and dangerous waters to get the whole story of a wealthy ruthless family a story that twists and turns to a shocking conclusion that should never be told *Once a Month*, 1867 Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 *The regional travel guide for Žalec (Slovenia)*, 2025-09-25 Minutes of the Committee and of the First Commission for Detecting and Defeating Conspiracies in the State of New York, December 11, 1776-September 23, 1778, with Collateral Documents New York (State). Commissioners for Detecting and Defeating Conspiracies, 1925

Sleuths in Skirts Frances A. DellaCava, Madeline H. Engel, 2002 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew* and includes extensive discussions of the play s various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality **100 Most Popular Contemporary Mystery Authors** Bernard A.

Drew,2011-05-18 Provide your mystery fans with background information on their favorite writers and series characters and use this as a guide for adding contemporary titles to your collections This book examines 100 of today s top mystery novels and mystery authors hailing from countries such as the United States Great Britain France Italy South Africa and Australia Equally valuable to students writing research papers readers craving new authors or more information about their favorite authors and teachers seeking specific types of fiction to support curricula 100 Most Popular Contemporary Mystery Authors Biographical Sketches and Bibliographies provides revealing information about today s best mysteries and authors without any spoilers Each of the accomplished writers included in this guide has established a broad audience and is recognized for work that is imaginative and innovative The rising stars of 21st century mystery will also be included as will authors who have won the Mystery Writers of America Grand Master Award
