Always Time To Die:

Always Time to Die Elizabeth Lowell, 2006-05-30 Former U S Senator Quintrell is dead His son New Mexico s governor is preparing his run for the highest political office in the land And dark family secrets are about to explode with the devastating force of a Southwestern earthquake An eccentric Quintrell aunt has invited genealogist Carolina Carly May to their Taos compound to compile a record of the illustrious family But digging into the past is raising troubling questions about a would be president s private life and the grisly street crime that left his drug addicted sister dead As a dark world of twisted passions and depravity slowly opens up before Carly there is no one whom she dares trust perhaps least of all Dan Duran a dangerous haunted enigma who s tied to the Quintrells history But she will need an ally to survive the terrible mysteries a father carried to the grave because following the bloodlines of the powerful can be a bloody business And some dead secrets can kill
