Black Gangster:

Black Gangster Donald Goines,2014-02-25 Raw and true to the street no one portrays the underground like the godfather of urban lit Donald Goines Trapped in jail for a petty crime Prince hatches a scheme from his cell to make it big Once Ruby the only woman worthy of his brutal ambition joins him on the outside they take down Detroit one hustle at a time Dealers pimps police and politicians in the blink of an eye the hood is theirs Now the only thing certain is the cold hard truth of the streets because with enemies waiting behind every corner there s only one way to stay on top of the world He lived by the code of the streets and his books vividly recreated the street jungle and its predators New Jersey Voice Machiavelli was my tutor Donald Goines my father figure Tupac Shakur *Black Gangsters of Chicago* Ron Chepesiuk,2007-08-29 Less obvious than perhaps Al Capone but perhaps even more vicious are the names of John Mushmouth Johnson Jeff Fort and Larry Hoover from the Chicago underworld Ron Chepesiuk reveals for the first time the stories of these African American gangsters who were every bit as powerful intriguing and colorful as the Windy City s more famous white gangsters Each page is more exciting than the previous as Ron Chepesiuk exposes never before known facts about the black gangsters that once ruled the Chicago streets **Black Vanguard and Black Gangsters** Steven R. Cureton,2011-09-16 *Black Vanguard and Black Gangsters* From Seeds of Discontent to a Declaration of War examines the extent to which black gangsterism is a product of civil rights gains community transition black flight social activism and failed grassroots social movement groups Unfortunately the voice of the ghetto was politically tempered silenced ignored and at times rebuked by a black leadership that seemed to be preoccupied with a middle class integrationist agenda As a result a once strong sense of universal brotherhood became fractured and the mood of the oppressed shifted to confusion only to be tempered by relentless frustration out of which emerged black gangs **Black Lenses, Black Voices** Mark A. Reid,2005-03-25 *Black Lenses Black Voices* is a provocative look at films directed and written and sometimes produced by African Americans as well as black oriented films whose directors or screenwriters are not black Mark Reid shows how certain films dramatize the contemporary African American community as a politically and economically diverse group vastly different from film representations of the 1960s Taking us through the development of African American independent filmmaking before and after World War II he then illustrates the unique nature of African American family action horror female centered and independent films such as *Eve s Bayou* *Jungle Fever* *Shaft* *Souls of Sin* *Bones* *Waiting to Exhale* *Monster s Ball* *Sankofa* and many more Contemporary Gangs Deborah Lamm Weisel,2002 Annotation Questioning whether organizational theory can lead to greater understandings of gang structure size and growth and contribute predictive theories about gang success and expansion Weisel political science and public administration North Carolina State U conducted field research with four Chicago and San Diego gangs Qualitative analysis methods and software were used to identify varying aspects of gang organizations including labor specialization patterns of leadership extent of hierarchy occurrence of regular meetings

Film Genre Reader III Barry Keith Grant,2003-12-01 More than 30 essays by some of film s most distinguished critics are included in this volume which presents the latest developments in genre study including teen films genre hybridity neo noir genre in the age of globalization an up to date bibliography **Gangs** Mary M. Jensen,Phillip C. Yerington,1997

Through the Eyes of a Gangster Gary Casterlow-Bey,2006-10-02 A comprehensive view into an American phenomenon inner city gang life This book is a journey an education It is a definite must read for all those who have been effected or need to know about the cause and effects of gangs Black Youths, Delinquency, and Juvenile Justice Janice Joseph,1995-11-20

Over the past decade a growing body of research has delineated the nature and extent of delinquency as well as the role of the juvenile justice system Despite such research the causes and consequences of delinquency and the role of the justice system remain poorly understood particularly in regard to minority groups This book is intended to meet a two fold need to extend research into the area of delinquency generally and to further research into the sociology of Black youths The author explores critical issues such as the rates of delinquency among Black youths explanations of delinquency and the juvenile justice system s treatment of Black youths as well as the policy implications for designing culturally sensitive and effective delinquency treatment and prevention programs Joseph s work will be of interest to scholars in sociology criminology criminal justice and Black studies **Black Popular Culture** Michele Wallace,1992 The latest publication in the award
