Black Ghosts Noo Saro-Wiwa,2023-11-02 EDWARD STANFORD TRAVEL BOOK OF THE YEAR WINNER 2025 A FINANCIAL TIMES BOOK OF THE YEAR 2023 TRAVEL China today is a land of opportunity for African people blocked from commerce with most of Europe and Northern America It is also an intersection of racism and prejudice Noo Saro Wiwa goes in search of China s Black Ghosts African economic migrants in the People s Republic Living in clustered communities they are key to the trade between the continents Her fascinating encounters include a cardiac surgeon a drug dealer a visa overstayer and men married to Chinese women who speak English with Nigerian accents This is a story of intersecting cultures told with candour and compassion focusing on the shared humanity between the sojourner and their hosts Black Ghosts Ken N. Kamoche,2024-11-02 Dan Chiponda earns a scholarship to study in China and reluctantly leaves his native Zimbabwe for an uncertain future Learning to take racial abuse in his stride he dates a fellow student Lai Ying who is attracted to his easy going manner He remains haunted by the weight of his mother s expectations encapsulated by the image of the African fish eagle Things take a dramatic turn when Chinese students pour into the streets in an orgy of violence to drive Africans out of town The situation in Nanjing only stabilises when attention turns to the mayhem that is unraveling in Tiananmen Square Beijing But that is only the beginning of Dan s troubles with the Campus Gestapo loan sharks in Hong Kong and the shock of his family getting caught up in the violence by Mugabe s war vets Black Ghosts was inspired by stories of Africans living in China in the 1980s and in particular by the little known incident in Nanjing where African and Chinese students engaged each other in a violent battle just months before the Tiananmen Square massacre

Black Ghosts Ken N Kamoche,2021-09-30 Dan Chiponda earns a scholarship to study in China and reluctantly leaves Zimbabwe for an uncertain future While stoically dealing with racial abuse in a country where Africans are known as black ghosts he is too timid to engage in the money making schemes available to students Yet he remains haunted by the weight of his mother s expectations encapsulated by the image of the African fish eagle But the best he can do is a safe job in a bar run by the enigmatic Wang Things take a dramatic turn when Chinese students pour into the streets in an orgy of violence to drive Africans out of town Dan s first impulse is to escape to Zimbabwe but the pressure from his family and the love for his girlfriend Lai Ying force him to stay put In the aftermath of the riots tight rules force the foreign students to create innovative ways to see their girlfriends and in the midst of all this Lai Ying gets pregnant and secretly procures an abortion Nothing will ever be the same again *Light and Dark* Trevor J. Hawkeswood,2013 Trevor J Hawkeswood is a scientist who has experienced hundreds of paranormal events in his lifetime In *Light and Dark* he recounts some of these incredible interactions He believes that reality occurs on two separate but interwoven planes of existence the Earth plane and the multiple levels of the spiritual planes including the lower levels from where the dark souls of humans who have died reach out to us He has experienced more than one hundred sightings of the shadow people or black ghosts He credits guardian

angels with saving him from harm or certain death on a number of occasions Hawkeswood also shares accounts of his numerous sightings of strange aerial phenomena he believes were caused by UFOs He has personally experienced clairaudience voices from beyond and precognition or the ability to see the future His detailed account of a unique out of body experience OOB challenges what is known about this remarkable ability His OOB was unlike anything that has ever been described by others who have experienced it and he shares it all in *Light and Dark* But it hasn't all been safe or pleasant At eighteen he survived a terrifying encounter with a demon gargoyle who tried to steal his soul energy after paralyzing him A comprehensive handbook for the paranormal enthusiast Hawkeswood's work also provides a glossary and reference list of English language UFO books In *Light and Dark* he shares a lifetime of experiences ideas and theories about this fascinating field of study
