

Black God's Shadow

By C. L. MOORE

"She leaped backward in a panic,
too late."

Another fascinating story about Jirel of Joiry, who went down into a terrible place of darkness to release a human soul from torment

THROUGH Jirel's dreams a far-away voice went wailing. She opened yellow eyes upon darkness and lay still for a while, wondering what had waked her and staring into the gloom of her tower chamber, listening to the familiar night sounds of the sentry on the battlements close overhead, the rattle of armor and the soft shuffle of feet in the straw laid down to muffle the sound so that Joiry's lady might sleep in peace.

And as she lay there in the dark, quite suddenly the old illusion came over her again. She felt the pressure of strong mailed arms and the weight of a bearded mouth insolently upon hers, and she closed her red lips on an oath at her own weakness and knew again the sting of helpless tears behind her eyelids.

She lay quiet, remembering. Guillaume—so hatefully magnificent in his armor, grinning down upon her from her

Howard, 2015-07-27 *Shadow Kingdoms* is the first volume of *The Weird Works of Robert E Howard* presenting all of Howard's work from the classic magazine *Weird Tales* meticulously restored to its original texts This volume begins with *Spear and Fang* Howard's first professional fiction sale and concludes with *Red Thunder* a gripping sword sorcery tale Series characters present in this volume include *King Kull* and *Solomon Kane* The Shadow Kingdom and Other Weird Tales Robert E Howard, 2015-10-19 *The Shadow Kingdom* and other weird tales Robert Ervin Howard was an American pulp writer and is especially noted for his memorable depictions of a sombre universe of swashbuckling adventure and darkling horror He is well known for having created the character *Conan the Barbarian* Meet *Solomon Kane* *Kull of Atlantis* *Bran Mak Morn* *Black Vulmea* *James Allison* and others in Howard's weird tales of fantasy and horror In these classics Howard spins tales of unrelenting terror the legacy of one of the world's great masters of the macabre Jirel of Joiry C. L. Moore, 2015-11-20 For fans of *Red Sonja* and *Xena the Warrior Princess* a collection of five fantasy stories starring a mighty and powerful female warrior The 1930s heralded the arrival of C L Moore one of the pioneering women writers of speculative fiction and the appearance of fantasy's landmark female hero *Jirel of Joiry* With her red hair flowing her yellow eyes glinting like embers and her face streaked with blood *Jirel* is strong fearless and driven by honor Her legendary debut *Black God's Kiss* begins as her castle *Joiry* is overrun by invaders but knowing that this is one battle she cannot fight she summons her courage and cunning and descends into the castle's hidden reaches where she crosses through a doorway into Hell itself *Jirel of Joiry* collects the classic tales of blood and vengeance that secured C L Moore's place among legendary authors of sword and sorcery like Robert E Howard and Edgar Rice Burroughs Originally published in the magazine *Weird Tales* Moore's fantastic tales of warriors gods and magic are defined by a fierce romantic vision that helped define the genre earning her the title of Grand Master for lifetime achievement by the World Fantasy Convention Includes *Black God's Kiss* *Black God's Shadow* *Jirel Meets Magic* *The Dark Land* and *Hellsgarde* One of the best authors of her era The stories are engaging and well written and the central character who is headstrong and passionate is more than compelling Fans of eldritch horror and sinister gods will find much to enjoy here Alan Brown Tor.com **Where No Man has Gone Before** Lucie Armitt, 2012-11-12 How do women writers use science fiction to challenge assumptions about the genre and its representations of women To what extent is the increasing number of women writing science fiction reformulating the expectations of readers and critics What has been the effect of this phenomenon upon the academic establishment and the publishing industry These are just some of the questions addressed by this collection of original essays by women writers readers and critics of the genre But the undoubted existence of a recent surge of women's interest in science fiction is by no means the full story From Mary Shelley onwards women writers have played a central role in the shaping and reshaping of this genre irrespective of its undeniably patriarchal image

Through a combination of essays on the work of writers such as Doris Lessing and Ursula Le Guin with others on still neglected writers such as Katherine Burdekin and C L Moore and a wealth of contemporaries including Suzette Elgin Gwyneth Jones Maureen Duffy and Josephine Saxton this anthology takes a step towards redressing the balance Perhaps above all what this collection demonstrates is that science fiction remains as particularly well suited to the exploration of woman as alien or other in our culture today as it was with the publication of Frankenstein in 1818
