

Some Prompts to Get Your Students to Think About GOAL SETTING

 TOP 3	Top 3 Goals You Have For School 	 Top 3 Hopes For Your Future As An Adult	Top 3 People That Can Help You Work Towards Your Goals 	 Top 3 Goals You Have For Family Relationships or Friends.	Top 3 Obstacles To Overcome So You Can Reach Your Goals 
 COMPLETE IT	"Something that I want to learn more about by my next birthday is..." 	"One step I can take to get closer to a goal I have for school is..." 	"A goal that I reached that I feel really proud about is..." 	"One step I can take to move closer to a friendship goal is..." 	"One of my goals to take good, kind care of myself is to..." 
 TRUE or FALSE?	Having a goal can help you focus and give you direction. 	You have a goal you are working on now. 	Making a plan will help you work toward your goal. 	You believe that you can do hard things and reach your goals. 	You have people in your life that can help you reach your goals. 
 WHAT IF...	What if you reached one of your goals? What would you be doing differently? 	What if you were working on a goal you have for school? How could you break it down into at least 3 steps? 	What if you gave up on pursuing one of your goals? What might be 2 different reasons for giving up? 	What if you reached one of your goals? Who would notice? 	What if what you were doing to reach a goal wasn't working? What could you do instead? 
 RISK!	Congratulations! You just reached one of your goals! Act out how you feel. 	One a scale of 1 to 10, where 10 means your goal has come true and 1 means your goal is far away from being reached, what number are you now?	Act out something you can do differently to reach 1 of your goals. 	If you were granted 3 wishes that would help you work towards a goal, what would you choose? 	What do you hope to do or experience by this time next year? Answer by giving 3 clues. 
 YOU JUST...	You just started working on one of your goals. What are 2 of your strengths that you can use to help you reach that goal? 	You just encouraged a friend to keep working towards his goal even though he wanted to give up. What did you tell him? 	You just walked on stage to receive an award for reaching one of your goals. What was the award for? 	You just thought about how much you have learned about a topic you didn't know much about a few years ago. What have you learned? 	You just achieved one of your school-related goals. What did you do?
