Blake A Biography:

Blake Peter Ackroyd, **Life of William Blake** Alexander Gilchrist, 1880 *The Stranger from Paradise* Gerald Eades Bentley, 2001 William Blake's wife once said of him I have very little of Mr Blake's company he is always in Paradise This fascinating and generously illustrated biography of the great English artist poet and mystic brings us very much into Blake's company presenting often in the words of his contemporaries almost everything that is known of his life and times G E Bentley Jr tells us that although Blake struggled with the ways of the world in his youth and early manhood he was always frustrated that these ways were not his own Instead he spoke the language of radical religious dissent standing outside the popular political and social conventions of his time and lamenting the power of Church and State Blake learned to participate in traditions of vision and piety to exult in the power of the spirit and in visionary art and literature He created a new gospel of art other worldly and fundamentally spiritual and in his old age he exhibited a serenity in poverty and a devotion to the realm of the spirit that was revered by his disciples Blake's life bears the shape of great art itself says Bentley From his youthful vaulting ambitions in painting engraving poetry and music through his mature flirtation with fortune to his joyful return to the vision and confidence of his youth Blake's life provides a pattern of noble self sacrifice and wise self understanding that is an inspiration to his generation and to ours **Blake** Peter Ackroyd, 1995 **Life of William Blake: Biography** Alexander Gilchrist, William Blake, Anne Burrows Gilchrist, 1880 *The Life of William Blake* Alexander Gilchrist, 1907 *Jerusalem!* Tobias Churton, 2015-05-12 Truly astonishing in its detail this must be one of the most illuminating and enlightening biographies to date Michael Eavis cbe Founder of the Glastonbury Festival A brilliant new biography of the mystic poet and artist William Blake and the first to explore his startlingly original quest for spiritual truth as well as the profound lessons he has for us all today The hymn Jerusalem with its famous words by William Blake stirs our hearts with its evocation of a new holy city built in England's green and pleasant land However until now the spiritual essence of William Blake has been buried under myriad inadequate biographies college dissertations and arts commentaries written by people who have missed the luminescent keys to Blake's symbolism and liberating spirit Any attempt to uncover the real Blake is thwarted by his status as a legend or national treasure In Jerusalem Tobias Churton expertly takes you beyond this superficial facade showing you Blake the esoteric genius a myth maker brilliantly using symbols and theology to express his unique insights into the nature of body mind and spirit Churton is not only deeply knowledgeable about Blake's life and times but also uses his shared values with Blake to enter into his labyrinth of thought and feeling Challenging the conventional views of Blake as either a romantic poet or a rebel with ideas about free sex Tobias Churton's startling new biography reveals at last the real William Blake in all his glory so that anyone who sings Jerusalem in future will see its beauty with renewed understanding With access to a large body of never before published records letters diaries pamphlets and books Tobias Churton casts unprecedented light and perspective on William Blake's life and times Blake's writing

heartfelt vivid and profound accounts for his status as one of the best loved poets writing in English Americans need no reminding that Blake inspired Ralph Waldo Emerson and American visionary Walt Whitman Yet he spent the larger part of his creative career being ridiculed and suppressed In Jerusalem Churton conjures a superb portrait of Blake s London and in particular the rivalries of the cultural community in which the poet artist was often misunderstood He argues that Blake believed Man does not belong to society rather we are all members of the Divine Body co existent with God He was concerned with a total spiritual revival what had gone wrong with Man and how to put it right Blake s message has proved to be as challenging to today s readers as it was to his contemporaries Blake perceived so far ahead of his time that the philosophy of materialism would dominate the world a culture from which we now yearn to break free Jerusalem is unashamedly ambitious in its scope and objective Churton ends once and for all the persistent notion of Blake as a startling peculiarity whilst emancipating him from the labels of Romantic poet or national treasure Even if it means sacrificing some cherished illusions or uncovering a few painful surprises this compelling biography reveals for the first time the true spirit of William Blake
