History of the Devotion to the Blessed Virgin Mary in North America Xavier Donald MacLeod, 1866 Catholic literature in this country is not yet rich in works of a historical character and though not a few have appeared evincing great research and worthy of a high place there was still wanting a popular element which genius alone could supply by lending its charm to the often dry details of the historian The devotion to the Blessed Virgin in this country from its settlement to the present day was a theme which had been briefly touched upon by one or two writers Still it was a field which the late lamented author of the following pages entered with all the zeal and devotion of his ardent and impassioned character and as a necessary consequence he gave his work the stamp of his particular genius Few more gifted writers have appeared among us than Xavier Donald Macleod and in undertaking his work material was contributed by his numerous friends The writer of this one who had enjoyed that friendship from boyhood rejoicing to see him about to take up a subject so worthy of his talents furnished him an abundant material which he had collected and feels now perhaps too great a pleasure in his privilege in having contributed to so noble a work as that here presented to the Catholic public **The Life of the Blessed Virgin Mary Mother of God** abbé Mathieu Orsini, 2023-02-22 THIS book received with such favour and indulgence by the public is not written through any vain desire of obtaining celebrity it is a work of patience and of faith a flower placed on the altar of Mary with the simple heart of a pilgrim of the good old times A better historian the Virgin undoubtedly deserved but one more sincerely desirous to see her name glorified and her devotion extended she could not find The history of the Queen of Angels the mystical rose of the New Law is a theme so poetical in itself that it naturally calls forth the most beautiful and refined ideas as well as the most dignified expressions of language It is an Oriental recital reflecting the manners the glories and the sites of Asia and so can it appear strange that the style should be impressed with an Eastern tint **The Life of the Blessed Virgin Mary** Romualdo Gentilucci, 2023-03-01 Reprint of the original first published in 1859 The publishing house

Also Poems on the litany of Loretto, from the Germ. of the countess Hahn-Hahn. Tr. by F.C. Husenbeth Mathieu Orsini,1864 *The Life of the Blessed Virgin Mary* Blessed Anne Catherine Emmerich,Aeterna Press,2015-03-05 Clemens Brentano was a well known and well to do German poet and writer After he had met the German nun and mystic Anna Emmerich on September 24 1818 he was so amazed he decided to be her stenographer He later wrote I feel that I must stay here that I must not leave this admirable creature before her death I feel that my mission is here and that God has heard the prayer I made when I begged him to give me something to do for His glory that would not be above my strength Aeterna Press The Virgin Mother Arthur Crawshay Alliston Hall,1894 **The Life of the Blessed Virgin Mary, Mother of God** sister Mary Francis Clare,1884 **The Life of the Blessed Virgin Mary** Cornelius Joseph O'Connell,1914 **The Mother of Christ** O. R. Vassall-philipps,O R Vassall-Philipps Csr,Brother Hermenegild,2013-03-12 Saints and Doctors of the Church have expressed their inability to write worthily of the great Mother of God It will therefore be readily understood that when the Provincial of the English Province of the Congregation of the Most Holy Redeemer suggested to me that I might publish an English book on our Lady my first feeling was one of shrinking from the task Whoso would celebrate the Holy Virgin and Mother of God wrote Basil of Seleucia will find abundant materials for praise But I knowing mine own weakness to be unequal to the mightiness of the reality have for a long time refrained from very awe For I have not my lips purified with coal from heaven like Isaias who saw the Seraphim nor have I like the divine Moses the feet of my soul bared of their covering Many another great servant of God has expressed himself after a similar fashion before writing about our Lady How dare I then attempt that for which Saints have professed themselves unworthy But other thoughts rushed to my aid I might not lightly shrink from that which came to me thus by way of obedience A wish from such a source should be enough Whatever might be the subject on which one might be asked to write by one s Superiors in Religion to wait for a direct command would be unseemly And when the subject was the Blessed Virgin the temptation would have been great however strong my consciousness of my unworthiness even had the opportunity come to me in any other manner For it is a happiness to acknowledge that by a special mercy of God notwithstanding all my sins and shortcomings I have from boyhood up always loved and trusted His Blessed Mother Mariology: A Dogmatic Treatise on the Blessed Virgin Mary, Mother of God Rev. Joseph Pohle Ph. D. D.,Aeterna Press, Like the Hypostatic Union of the two Natures in Christ the Divine Motherhood of the Blessed Virgin Mary may be regarded from a twofold point of view 1 ontologically i e in its objective dignity dignitas maternitatis divinae in se and 2 ethically in its causal connexion with the prerogatives proper to this exalted office plenitudo gratiae correspondens dignitati Christology shows how the Hypostatic

Union immediately and substantially sanctified the manhood of our Lord in direct proportion to His infinite dignity as Godman In a similar though not precisely the same manner Mary s objective dignity as mother of God constitutes both the intrinsic principle and the extrinsic standard of her supernatural purity and holiness The one postulates the other as a cause its effect Aeterna Press

Miracles of the Blessed Virgin Mary William (of Malmesbury), 2015 The Miracles of the Virgin Mary written c 1135 by the Benedictine monk and historian William of Malmesbury d 1143 is important on several counts It belongs to the first wave of collected miracles of the Virgin produced by English Benedictine monks in the 1120s and 30s These collections were to be influential across Europe because the stories in them were not connected with a particular shrine but international Although only two copies of William s collection survive in anything like its complete and original plan in a dismembered form it too was influential across Europe and through the rest of the medieval period
