**Dan Knight, Min Dan Edward Knight Sr**

## **Blessing Of Obedience:**

The Blessings of Obedience Andrew Murray, 1985-10-01 Connect with God Obedience is not the most popular word in our vocabulary We live in a society that is constantly battling the system fighting for what we want We re primarily concerned with how the rules inconvenience us and we re looking to see what we can get away with Obedience is much more than following rules it s a state of the heart By missing this truth we miss the power of complete obedience Discover how obedience to God s plan will put you in the center of His will Andrew Murray explores the love behind God s demands and the grace that makes it possible for us to obey The blessing of complete obedience is your intimate connection with a loving protective heavenly Father who desires more than anything to give you a rich and fulfilling life

**The Blessing of Obedience** Norvel Hayes, 1982-01-01 Obedience Brings Blessing God wants to bless His people Don t let yourself be concerned about what other people are doing Concern yourself with what you are doing for God You must reach the point that you are willing to put your own desires aside and do what God wants you to do Then you will find yourself in the place for God to give

**Blessings And Curses** Zacharias Tanee Fomum, 1900 Some people are operating under a curse while others are operating under a blessing Blessing is a supernatural force working to promote you and to advance you When you are operating under a blessing you rise to heights totally beyond any logical explanation of your talents your gifts and your abilities On the other hand a curse is an invisible force that frustrates you An invisible force that is there to make you to be left out A curse is as if you have an invisible enemy standing on your way It s as if there is an invisible barrier standing in your way There are some people who everything they touch goes wrong Other people may be succeeding but when they get there it goes wrong Such people are said to be functioning under a curse The author further explains that blessings and curses belong to the invisible Blessings and curses are vehicles of supernatural spiritual power Blessings produce good and beneficial results while curses produce bad and harmful results We send this book out with a heart cry that as you read it you may be able to identify whether you are acting under a curse and cooperate with God for it to be broken On the other hand knowing that you are functioning under a blessing would help you to in a conscious way cooperate with God to continue abiding in His blessing
