Blessing Or Presumption Franklin D. Murdock,2002-10-01      Blessing Or Presumption Franklin D. Murdock,2009-05  
Spiritual author of My Father s Wondrous Love Frank Murdock has written another beautifully inspiring book Blessing or Presumption that recounts his memories while growing up in the depression and the life experiences that led him to God s boundless love and glory Frank Murdock grew up during the Great Depression but managed to receive his high school diploma Because of extensive schooling while in the Navy and after World War II he became an electronic engineer and rapidly advanced during his career becoming more and more involved with technologies related to space exploration His life was abundant and full of the amenities that the good life had to offer Then one day Murdock had his greatest life experience ever an encounter with Jesus and God With an open mind and inquisitive heart Murdock asked God Is my good fortune a blessing or presumption The answer he received reveals a truth not well known and may be shocking to some Murdock gives the reader an inspiring truth about the meaning of God s blessings and what Jesus birth crucifixion and resurrection means to all believers      Theology explained and defended, in a series of sermons ... with a memoir of the life of the Author Timothy DWIGHT (D.D., President of Yale College.),1831      Blessed Are the Peacemakers Lisa Sowle Cahill,2019-03-02 This book is a contribution to the Christian ethics of war and peace It advances peacebuilding as a needed challenge to and expansion of the traditional framework of just war theory and pacifism It builds on a critical reading of historical landmarks from the Bible through Augustine Aquinas the Reformers Christian peace movements and key modern figures like Dietrich Bonhoeffer Reinhold Niebuhr and recent popes Similar to just war theory peacebuilding is committed to social change and social justice but includes some theorists and practitioners who accept the use of force in extreme cases of self defense or humanitarian intervention Unlike just war theorists they do not see the justification of war as part of the Christian mission Unlike traditional pacifists they do see social change as necessary and possible and as such requiring Christian participation in public efforts Cahill argues that transformative Christian social participation is demanded by the gospel and the example of Jesus and can produce the avoidance resolution or reduction of conflicts And yet obstacles are significant and expectations must be realistic Decisions to use armed force against injustice even when they meet the criteria of just war will be ambiguous and tragic from a Christian perspective Regarding war and peace the focus of Christian theology ethics and practice should not be on justifying war but on practical and hopeful interreligious peacebuilding      The Churchman ,1891
