Akers,2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God      *In His Image* Matthew Lee Smith,2007-02-22 In His Image is the next step for those who have read The Purpose Driven Life Following the Life Purpose of Mission this book explores God s great love for humanity from every book of the Bible From the creation of Genesis to the culmination in Revelation God s love shines through every page Never is this ever clearer than in the times of Israel s great betrayal of their God His passionate pursuit of His children can be heard dripping from his voice as He calls them and us by proxy back to His shelter and protection This book was written To convince the reader of God s intense and immense love for them To encourage the reader to reach out to the God who is passionately in love with them To strengthen the reader s faith in God s compassion and To motivate the reader to share the love of God with every person they meet It is very clear God loves people of all races and ethnicities Therefore whenever appropriate to the passage of the day emphasis is made on the issue of racial reconciliation around God s love His love becomes the motivation for evangelism and for

community In each daily devotional There is a Biblical Scripture they are encouraged to read There is a passage of Scripture to read in the devotional itself There is the devotional to read which focuses the reader on a single thought broken into two three or four practical ideas they can utilize that day in their lives and There is a thought to take with the reader each day which summarizes the theme concerning God s great love for them      םא םא םא םא םא Yaakov Blinder, Yehudah Bulman, Yosef Kamenetzky, 2008      *Text-book of Religion and Ethics for Jewish Children* Joseph Leonard Levy, 1903      **Life Understood from a Scientific and Religious Point of View** Frederick Lawrence Rawson, 1920      The service of the Master, sermons Joseph Barnaby C.
