was born premature with significant developmental and physical disabilities she wasn't expected to survive her first 24 hours. She defied the odds and 20 years later she and her father Christopher Kain have pushiked using a specialized mobility chair across the entire United States. In *Rugged Access for All: A Guide for Pushiking America's Diverse Trails with Mobility Chairs and Strollers*, Chris and Kellisa showcase some of the greatest trails across the US that can be completed while pushiking. Hiking with someone in a wheelchair, mobility chair, or stroller. Part narrative, part guide, this book includes detailed trail descriptions, trail maps, tips for hiking with a stroller or mobility chair, and vibrant stories from Chris and Kellisa's own experiences hiking in all 50 states. The featured trails vary in difficulty from deserts to mountains and everything in between. Foster, 2013-11-26. The Texas Gulf Coast is one of the most outstanding birding locations in North America. From whooping cranes to sandhill cranes, ducks, geese, raptors, and the hundreds of song birds that migrate every year to the Texas Gulf, make this a birder's paradise. There are numerous public sites that make for easy birding. Each year during the last week of February, there is a Whooping Crane Festival in Port Aransas and Mustang Island that attracts thousands of birders. It features workshops, demonstrations, speakers, and many guided birding trips to local birding locations. Jim Foster is a noted birder. He describes each birding trail with a list of key birds, the best time of year to visit, each trail, the type of terrain, size, and complete directions to each area, many with maps of each trail. Texas is one of the four best birding states in the US, with over 2.5 million resident birders and thousands of non-resident birders who visit the state each year. Currently, there are over 51 million birders in the United States, and over 20 million travel out of their state each year to view birds. *Birding Trails Texas Gulf Coast* is a must-book for all birders. *Florida's Paved Bike Trails* Jeff Kunerth, Gretchen Kunerth, 2023-05-02
