**Alpha Awareness** Wally Minto, 1977-08-01      *Explanation of Alpha Awareness* Wally Minto, 1975      **Alpha's Blind Spot** Ryan W. Walker, 2026-01-27 He felt the bond the moment fate tied them together and still he never truly saw her Being his mate did not make her chosen It made her invisible Bound to the Alpha of her pack she waits quietly as he prioritizes duty politics and stability over the bond meant to define them both He values her competence her presence her usefulness but never her heart While he assumes she will always remain she slowly realizes the truth she is essential yet unseen Instead of begging for recognition she chooses herself She steps away from the pack builds a life on her own terms and becomes powerful without rank devotion without validation and whole without him The bond still exists but it no longer controls her worth Only after she leaves does the Alpha begin to understand what he lost Her absence exposes the cracks in his rule the cost of his blindness and the depth of his mistake Regret hits hard when the mate he took for granted becomes the woman he can no longer reach When fate brings them together again she refuses to return to invisibility If he wants her back he must do what he never did before see her choose her and stand beside her openly This time love will not survive on assumption alone Alpha s Blind Spot is a slow burn second chance fated mate romance filled with quiet strength earned regret and a powerful heroine who refuses to disappear for love If you love rejected mates Alpha redemption and heroines who choose themselves first this story is for you

**The Rogue Alpha's Mate** Jessy Leo, *The Rogue Alpha's Mate* A Wolf Shifter Romance of Fate and Desire In a world ruled by power loyalty and ancient bonds fate does not ask for permission It claims When a mysterious pull draws a rogue alpha toward a woman he was never meant to meet everything begins to change Known across the territories as a fierce and unpredictable leader the rogue alpha has spent years building strength protecting his pack and trusting no one beyond his closest warriors Love was never part of the plan Until the bond awakens She feels it the moment their eyes meet A deep undeniable connection that ignites something powerful within her A bond older than rivalry stronger than fear and impossible to ignore But becoming the mate of a rogue alpha is not just about passion It means stepping into a world of shifting alliances hidden enemies and dangerous secrets waiting in the shadows As threats rise from within and beyond their territory the pair must learn to trust the bond that binds them Betrayals will surface Old rivalries will return And powerful forces are already watching the strength of their connection Because a rogue alpha with a fated mate is not just a leader He is a target Together they must fight for their pack protect the fragile alliances around them and prove that their bond is stronger than any enemy that dares to challenge it But fate never comes without a price And the deeper their bond grows the more dangerous their love becomes Perfect for readers who love intense wolf shifter romance powerful alpha heroes fated mates loyal packs and high stakes supernatural battles *The Rogue Alpha's Mate* is a gripping continuation in a thrilling shifter romance series where love loyalty and destiny collide Once the bond awakens there is no turning back

**The Alpha's Runaway Luna** Aria Willowstone, 2026-03-25 Six years ago Selene Voss left

Ironpeak Pack territory with nothing but a white dress a silver streaked inheritance she didn't understand and the memory of the one word Caden Ashford never said stay She built a life in Portland learned to stop listening for the mountains and told herself the hollow ache in her chest was just grief doing what grief does Then her mother gets sick and the road home is the only road left Caden is still Alpha The pack still remembers her And the moment Selene crosses the border something she spent six years convincing herself was dead wakes up like it never slept at all The Alpha's Runaway Luna is a second chance wolf shifter romance about a rejection that was never what it seemed a bond that refused to break quietly and two people who have to decide whether the truth when it finally surfaces is something worth building on or just the last thing left to lose
