**Altar-Egos** Cal LeMon,2018-03-31 Why do so many feel discouraged or disconnected with church Church people aren't perfect We get that As Christians we are called to a high standard in terms of communicating with love respect and honesty Yet how often do we observe and experience corrupt communication that betrays breaks down and builds walls rather than builds up What we often do not know is how to plow through our muted messes and hear that cleansing still small Voice This book will provide you spiritual Windex to clean up and clarify your relationships and learn better communications skills that promote healthy open communication and polishes rather than tarnishes our testimony Truth is choosing to be honest with God and then honest with the person in your mirror Let's stop avoiding the truth and instead embrace it When you do you can expect to enjoy Ending continuous conflict in the Body of Christ Learning specific verbal skills which will keep communication open and honest Monitoring silent resentment from becoming permanent within the Church Communicating anger without using intimidation Admitting that as God's children we are constantly in a state of revision and renewal Honestly saying I was wrong Altar Egos offers hope for people of faith who know they can become vibrant positive and affirming disciples of Jesus Christ

Professional Christian Sarah Bereza,2022-03-22 As church leaders we live our lives within the spotlight of professional ministry To best love and serve God and our neighbors we aim to be the fullest truest versions of ourselves However we often struggle to do so with integrity What if our preaching or singing feels like a performance Are we supposed to hide our imperfections and let people see only the shiniest parts of our lives If you have ever felt like you're working under a microscope or that you've been put on a pedestal you don't want or deserve know that you are not alone Professional Christian gathers the wisdom from fifty church leaders in a variety of roles including Sandhya Jha Jacqueline J Lewis Bruce Reyes Chow Nikki Toyama Szeto and Will Willimon on topics such as authenticity privacy boundaries doubt self care and the challenges of being held to a higher standard The stories advice and wisdom from these leaders help to show us that thriving in ministry should not have to come at the expense of our identity and relationships Written by a church musician with over twenty years of experience in ministry Professional Christian helps church leaders learn to flourish as an integrated person of faith living out their call to vocational ministry
