## **Aluras Wish:**

*Alura's Wish* Elizabeth Hallam, 1999 Sir Connor Warrick had a ferocious reputation both on and off the battlefield Despite his ill repute he was heir to a fortune that Alura's father had set his sights on Bound by her father's wishes and her honor Alura accepts an exotic gift from Sir Warrick But within the fire opals of this exquisite bracelet lies a powerful magic and a love rarer than any jewel

*Karmilla* Ian Wood, 2021-09-28 Karmilla is an unexpected visitor who intrudes upon the quiet life of Alura a refined but sheltered young woman living in her father's chateau in Switzerland Never has she encountered anyone like Karmilla who is worldly traveled educated and who has an ethereal beauty And very strange habits Where does Karmilla go at night when she disappears What is this strange malady which seems to afflict her Why does daylight hurt her eyes And what is happening to young women in the nearby village who seem to be falling ill and dying Alura is about to get an education but this Karmilla isn't your great grandmother's story The original work upon which this is based is Carmilla by Irish author Sheridan le Fanu His work is now in the public domain and mine is much changed from his original but it would be wrong not to acknowledge this outstanding creation of his with such a modern tone and it has to be said a slightly risqué approach to a vampire novella a quarter century before Bram Stoker's Dracula appeared on the scene His is not the first vampire story by any means but it is a remarkable one and you can find a free copy of the original online in various places I urge you to read that one as well

*Alura* Tamara Rossitto, 2007-12-01 A young girl moves to a new house and discovers that she has a magical gift and a magical friend

*The Tenebromancers* Elijah Jeffery, The invasion of the Undersurface began in the proud lands of Ferilo The minlings came not to dominate but to exterminate the people of the surface Old and young women and men all to erase a prehistoric curse Or so taught the mages who awakened them Triwalo is a Ferilo child made a refugee by the invasion Her village is destroyed her country decimated In what was to be her final flight for her life she is saved by the most powerful mages the surface has ever seen But they are ruthless mages whose power is matched only by their resourcefulness and Triwalo is the best resource they have ever acquired Reph Grinla Whissen and their captive have nearly reached Gerulo when a child in a mask comes to their rescue A child with terrifying power under the control of an unseen manipulator Can Reph push her abilities further still before it is too late for the warped girl and the Ferilo land she once called home

*The Duranaya Appraisal: eBook Omnibus* Elijah Jeffery, 2025-01-22 A found family caught in a dying world Unwanted powers and thirsts Assassins of the mind and body on the prowl Twice a century the world of Duranaya grows new surfaces from the top of its mountain casting old ones into darkness and forcing a constant upward migration its peoples But there are those who live in the pitch black Undersurface and they march to conquer the sunlit world commandeering the magic that once contained them In the midst of the invasion Whissen a monk afflicted with a mind divided by magic crosses paths with Reph a huntress with a criminal past They have little in common but they do share a predator One who has rediscovered their scents and knows their hidden guilty weaknesses The invasion pauses for no one

Reph's aging father is trapped in a hopeless siege and time is short. Together Whissen and Reph must cross enemy territory before Reph's father is lost. Chased by a killer who plays with her food, can they turn their weaknesses into strengths before their pursuer does it for them? Enter the world of Duranaya where the world grows layers and casts the past into darkness. This is the complete series of the Duranaya Appraisal by Elijah Jeffery. It includes all three installments in one eBook: 1 The Solimancers, 2 The Tenebromancers, 3 The Insumates. What reviewers are saying about The Duranaya Appraisal: Deep worldbuilding and magic system, large cast of well-employed complex characters, a sweet found family surrounded by a tragic dying world, surreal and imaginative physics lore and action. Bold sequels that build on the story while taking it in exciting directions. You should read these in order, but this is a standalone series.

**Yesterday's Flame** Elizabeth Hallam, 2000. When firefighter Anabel Lowell's duties catapult her from San Francisco 2000 back to 1906, she faces one of the worst earthquakes in history.
