Black Elk Speaks Black Elk, 1972. **"Black Elk speaks, doesn't he?" - Facts and Fiction of an Autobiography** Katharina Reese, 2010-12-17. Seminar paper from the year 2009 in the subject American Studies, Culture and Applied Geography, grade 1-3. Free University of Berlin, John F. Kennedy Institut für Nordamerikastudien, course Ethnic Post-Modernism and the Invention of Ethnicity, language English, abstract. These introductory words, printed in the appendix of the novel itself, give a very clear and critical insight into the topic of *Black Elk Speaks* by author John G. Neihardt. Largely considered to be an autobiographical narration, it has become one of the most famous books dealing with the story of individuals of Native American origin. Following the tradition of so-called oral stories, Georgi Findlay (1997: 385) writes: "It is the story of the Lakota holy man Black Elk, who told it to the author John G. Neihardt, who transcribed it and wrote it down. The story and its categorization as autobiographical, claims authenticity, and was widely regarded to be an accurate report of Native American life among the tribe of the Oglala Lakota and their culture. Even today, the book is still considered to be one of the first works of Native American literature. As a matter of fact, the book is listed in the chapter *Indianerliteratur: Native American Literature* in Hubert Zapf's *Amerikanische Literaturgeschichte*. Even though it was written down and published by a person of Euro-American background, the story itself is considered to be uniquely Native American in content. But how authentic is the story? How much of what Neihardt wrote down was fact, and what was actually his own interpretation or even

literary freedom that he took to serve certain stereotypes and make the story more appealing for the audience which it was aimed at

Black Elk Speaks IV Ed McGaa, 2015-06-16 Not unlike Moses at Mt Sinai Black Elk had a powerful predictive communication from the Higher Power Instead of Moral and Ethical commandments Black Elk's Vision was a forewarning of the Time that the World is in Now Its core the Blue Man of corruption control and environmental disaster was exposed Planetary Heating and Drought obviously exists for the observant The blind deny but each decade presents looming evidence Unfortunately Black Elk's Vision has been detoured its ultimate message ignored Black Elk Speaks IV challenges the previous versions of Black Elk Speaks Eagle Man utilizes experienced Native American Spirituality to set humanity back on the right track of literary exploration The Author has no quarrel with the original Black Elk Speaks I Ed was a close friend kola of the interpreter Ben Black Elk Black Elk Speaks II and III are a conflicting matter that need to be challenged by a traditional Oglala Lakota Sioux Jerry McGowan author of The Place Creator warned through Its Earth Powers An honest White Man John Neihardt wrote the revelation truthfully to the world but academic White Men clouded the warning for nearly a century motivated by ego and their false sense of religious superiority A Sioux warrior my Dad with no help from the NDN Academics had to come forward

and bring forth the depth of the warning Paula K Tonemah M A author of Spirit Horse Adventure in Crazy Horse Country Decades went by before Black Elk spoke of the Vision but before he began his revelation he stated to John Neihardt I must tell you of my people before I tell you of my life so that you may trust me In respect for Black Elk Black Elk Speaks IV will follow his approach relating Sioux history first The times and subterfuge of governmental and obsessive religious control dictated against Sioux people upon their federal reservations resulted in fatal incarceration for some within the federally built Canton SD Hiawatha Federal All Indian Insane Asylum Confinement was at the discretion of the Bureau of Indian Affairs Indian Agent located at each Sioux reservation Overzealous Missionaries were the agents advisers The real and active threat to one s family placing any Indian in confinement for persisting or championing their spiritual beliefs loomed largely The resultant federal Ban of Native Spirituality along with their beseeching ceremonies due to lobbying missionaries should be adequate proof of church control on an Indian reservation The stubborn Sioux went underground and today the old Spiritual Way has miraculously survived and thrives today Missionaries no longer control Sioux reservations due mainly to the Civil Rights movement of the 1960s The major issue within the following text is the Spiritual Warning offered from an obvious Higher Power for not just tribal people but the entire planet Black Elk observed this predicted force as the Blue Man of environmental destruction including the impending detriment to our own agriculture and lifestyle It had obvious capability as it was destroying and polluting all around it including flora and fauna Such implications of the Vision have been totally ignored by commentary within subsequent versions of the original Black Elk Speaks and related works and presentations Black Elk s so termed conversion however remains too misleading detouring and diversionary from the disastrous Climate Change which is now visibly apparent worldwide Hence Black Elk Speaks IV from a traditional espousing Teton Lakota Sioux had to be written to challenge earlier errant diluting related works No challenge is directed toward John Neihardt He simply wrote truthfully from his long interview with Black Elk This is further supported from my personal interviews with Neihardt s daughter Hilda and my personal relationship with Black Elk s son Ben Black Elk the interpreter of every word of Black Elk Speaks

Interpreting the Legacy Brian Holloway, 2003-02-26 Neihardt s work has recently been critiqued by scholars who maintain that the author filtered and corrupted Black Elk s teachings through a European spiritual and political lens In this book Brian Holloway offers a rather different view making a convincing case that Neihardt quite consciously attempted to use his literary craftsmanship to provide the reader with direct and immediate access to the teachings of the Oglala elder Using Neihardt s original hand written notes and early manuscript drafts Holloway demonstrates the poet s careful and deliberate re creation of Black Elk s spiritual world in order to induce a transcendent experience in the reader Through exhaustive research into Neihardt s biographical materials published philosophical and metaphysical writings and volumes of taped lectures Holloway examines the sources of the book s production as well as the reactions to and the implications of his literary portrayal of the spiritual world of the Oglala
