

ROSEWOOD, FLORIDA

On August 1, 1923, a mob of white supremacists, including members of the Ku Klux Klan, attacked the town of Rosewood, Florida. The town, which had been founded by African American settlers, was destroyed and its residents were driven out. The attack was a result of racial hatred and the desire to maintain white supremacy in the South. The town was never rebuilt, and the site is now a state park. The marker commemorates the victims of the attack and the town's history.

Historical photographs and documents are displayed on the ground near the well structure.

Black Florida

Florida. Department of Agriculture

Black Florida:

African American Sites in Florida Kevin M McCarthy, 2019-07-24 African Americans have risen from the slave plantations of nineteenth century Florida to become the heads of corporations and members of Congress in the twenty first century They have played an important role in making Florida the successful state it is today This book takes you on a tour through the 67 counties of the sites that commemorate the role of African Americans in Florida s history If we can learn more about our past both the good and the not so good we can make better decisions in the future Behind the hundreds of sites in this book are the courageous African Americans like Brevard County s Malissa Moore who hosted many Saturday night dinners to raise money to build a church and Miami Dade s Gedar Walker who built the first rate Lyric Theater for black performers And of course also featured are the more famous black Floridians like Zora Neale Hurston Jackie Robinson Mary McCleod Bethune and Ray Charles

Florida's Black Public Officials, 1867-1924 Canter Brown (Jr.), 1998 A ground breaking study revealing the magnitude and impact of African American leadership in Florida during the post Civil War era This work also includes an extensive biographical directory of more than 600 officeholders an appendix of officials by political subdivision and more

Florida: A History Gloria Jahoda, 1984-06-17 For four hundred years Florida has been North America s ranking treasure hunt a national Never Never land Gloria Jahoda unfolds the colorful story in this book from the gold seeking conquistadores of Spain and the alleged search for a fountain of youth to today s vast influx of tourists and the retired in search of sun health and the delights of Disney World

A History of Florida Marvin Dunn, 2016-05-24 I know Florida I was born in Florida during the reign of Jim Crow and have lived to see black astronauts blasted into the heavens from Cape Canaveral For three quarters of a century I have lived mostly in Florida I have seen her flowers and her warts This book is about both People of African descent have been in Florida from the arrival of Ponce de Leon in 1513 yet our presence in the state is virtually hidden A casual glance at most Florida history books depict African Americans primarily as laborers who are shown as backdrops to white history The history of blacks in Florida has been deliberately distorted omitted and marginalized We have been denied our heroes and heroines Our stories have mainly been left untold This book lifts the veil from some of these stories and places African Americans in the very marrow of Florida history

Black Society in Spanish Florida Jane Landers, 1999 The first extensive study of the African American community under colonial Spanish rule Black Society in Spanish Florida provides a vital counterweight to the better known dynamics of the Anglo slave South Jane Landers draws on a wealth of untapped primary sources opening a new vista on the black experience in America and enriching our understanding of the powerful links between race relations and cultural custom Blacks under Spanish rule in Florida lived not in cotton rows or tobacco patches but in a more complex and international world that linked the Caribbean Africa Europe and a powerful and diverse Indian hinterland Here the Spanish Crown afforded sanctuary to runaway slaves making the territory a prime destination for blacks fleeing Anglo plantations while Castilian law grounded in Roman law

provided many avenues out of slavery which it deemed an unnatural condition European African unions were common and accepted in Florida with families of African descent developing important community connections through marriage concubinage and godparent choices Assisted by the corporate nature of Spanish society Spain s medieval tradition of integration and assimilat

Education Reform in Florida Kathryn M. Borman, Sherman Dorn, 2012-02-01 In Education Reform in Florida sociologists and historians evaluate Governor Jeb Bush s nation leading school reform policies since 1999 They examine the startlingly broad range of education policy changes enacted in Florida during Bush s first term including moves toward privatization with a voucher system more government control of public education institutions with centralized accountability mechanisms and a superboard for all public education The contributors arrive at a mixed conclusion regarding Bush s first term education policies while he deserves credit for holding students to higher standards his policies have unfortunately pushed for equality in a very narrow way The contributors remain skeptical about seeing significant and sweeping improvement in how well Florida schools work for all students

The African American Heritage of Florida David Colburn, Jane Landers, 2018-02-26 The books in the Florida and the Caribbean Open Books Series demonstrate the University Press of Florida s long history of publishing Latin American and Caribbean studies titles that connect in and through Florida highlighting the connections between the Sunshine State and its neighboring islands Books in this series show how early explorers found and settled Florida and the Caribbean They tell the tales of early pioneers both foreign and domestic They examine topics critical to the area such as travel migration economic opportunity and tourism They look at the growth of Florida and the Caribbean and the attendant pressures on the environment culture urban development and the movement of peoples both forced and voluntary The Florida and the Caribbean Open Books Series gathers the rich data available in these architectural archaeological cultural and historical works as well as the travelogues and naturalists sketches of the area in prior to the twentieth century making it accessible for scholars and the general public alike The Florida and the Caribbean Open Books Series is made possible through a grant from the National Endowment for the Humanities and the Andrew W Mellon Foundation under the Humanities Open Books program

Black Miami in the Twentieth Century Marvin Dunn, 1997-11-19 The first book devoted to the history of African Americans in south Florida and their pivotal role in the growth and development of Miami Black Miami in the Twentieth Century traces their triumphs drudgery horrors and courage during the first 100 years of the city s history Firsthand accounts and over 130 photographs many of them never published before bring to life the proud heritage of Miami s black community Beginning with the legendary presence of black pirates on Biscayne Bay Marvin Dunn sketches the streams of migration by which blacks came to account for nearly half the city s voters at the turn of the century From the birth of a new neighborhood known as Colored Town Dunn traces the blossoming of black businesses churches civic groups and fraternal societies that made up the black community He recounts the heyday of Little Broadway along Second Avenue with photos and individual recollections that

capture the richness and vitality of black Miami's golden age between the wars. A substantial portion of the book is devoted to the Miami civil rights movement and Dunn traces the evolution of Colored Town to Overtown and the subsequent growth of Liberty City. He profiles voting rights, housing, and school desegregation and civil disturbances like the McDuffie and Lozano incidents and analyzes the issues and leadership that molded an increasingly diverse community through decades of strife and violence. In concluding chapters, he assesses the current position of the community, its socioeconomic status, education issues, residential patterns, and business development, and considers the effect of recent waves of immigration from Latin America and the Caribbean. Dunn combines exhaustive research in regional media and archives with personal interviews of pioneer citizens and longtime residents in a work that documents, as never before, the life of one of the most important black communities in the United States.
