*The Concise Focal Encyclopedia of Photography* Michael Peres, 2014-06-20 Defining photography is impossible Revealing it is another matter and that s what The Concise Focal Encyclopedia of Photography does with each turn of the page History The technical

origins and evolution of photography are half of the story The other half consists of the ways that cultural forces have transformed photography into a constellation of practices more diverse than any other mode of representation Photographers can tell a more in depth story through a photo like Dorothea Lange s Migrant Mother than a journalist ever could with the written word alone Major themes and practitioners Over 25 entries many with supporting illustrations examine the figures trends and ideas that have contributed most heavily to the history and current state of photography Contemporary issues The issues influencing photography today are more complex than at any other time in its history Questions of ethics desire perception digitization and commercialization all vie for attention Hear what the experts have to say about crucial issues such as whether or not the images we take today will last the test of time and if so how When material is covered this skillfully concise is no compromise The Concise Focal Encyclopedia of Photography is packed with useful information compelling ideas and best of all pure pleasure

**HairStories** ,2003 The cultural significance of black hair is reflected in all aspects of contemporary American culture from popular music and hip hop fashion to Hollywood films and professional sports HairStories explores the history style and meaning of black hair as seen through the eyes of three generations of major African American artists Inspired by the Urban Bush Womens performance HairStories the exhibition showcases more than 60 works by 27 artists and spans nearly a century of visual art pop culture music and literature HairStories considers hair as a reflection of history identity and race relations in America from the days of segregation to today The exhibition is organized around four themes the syndrome of good hair vs bad hair the importance of the barbershop and beauty salon as a center of the African American community the social and political symbolism of hairstyles and hair as an expression of individuality [Http www smoca org exhibit php id 60](http://www.smoca.org/exhibit.php?id=60)
