Blanco Y Negro:

Blanco y negro ,1901 *The News Media in Puerto Rico* Federico Subervi-Vélez, Sandra Rodríguez-Cotto, Jairo Lugo-Ocando, 2020-10-27 The News Media in Puerto Rico offers a synopsis as well as a critical analysis of the Island's news media system with emphasis on the political and economic factors that most influence how the media operate. The authors also document the impact of Hurricane Maria on the media structures and the changing media landscape given the political, economic, and colonial strictures. Building on interviews with news media professionals, the book further presents detailed insights about journalism and journalism education in these times of crises. The final chapters include theoretical frameworks and methodological guidelines for the analysis of other colonial, post-colonial, and neo-colonial media systems with research recommendations valuable for future studies of the Island's media as well as for cross-national comparisons. This book will be an essential read for students and scholars interested in learning not only about the Puerto Rican and Latin American mass media but also the media systems of other colonial, neo-colonial countries.

Discover UK Shoegaze and Dream Pop
Vernon Joynson, 2023-10-20 Discover UK Shoegaze and Dream Pop is an excellent comprehensive guide to the development of both genres in the UK. It includes detailed discographies, personnel details, biographies, analysis of their music, and where applicable, rarity ratings for all the 80s and 90s acts featured. You'll recognise some names, but several less well-known acts are included too. There's also a detailed postscript section on the re-emergence of Shoegaze and Dream Pop in the UK in the 21st century and the bands involved in it. This book is the latest in a quartet of books Vernon has written about UK music, commencing with the Two Volume Tapestry of Delights 2014, A Sharp Shock To The System 2019, and The Britpop Bible 2022. These three previous titles appeared in print, but in view of the cost-of-living crisis, Discover UK Shoegaze and Dream Pop has been published digitally to reduce the retail price and make it affordable for more of you. You will discover a lot about UK Shoegaze and Dream Pop from this book, which is profusely illustrated throughout. There is nothing similar out there.
