## **Blessed Hope And The Tribulation:**

*The Blessed Hope and the Tribulation* John F. Walvoord, 1976 Eschatology is a crucial theological issue in our day The rapture question has particular importance in premillennial eschatology This volume confronts that question Does the rapture of the church precede or follow the Great Tribulation In this book Dr John F Walvoord examines the post tribulationist viewpoint and calls into question its exegetical grounds and hermeneutical validity The author examines four schools of thought within posttribulationism and challenges point by point the arguments of their leading exponents This scholarly apologia of the events relating to the second coming of Christ reaffirms the author's conviction that pretribulationism provides the best interpretation of the biblical evidence and demonstrates the most reliable understanding of the Christian's assurance of the blessed hope

*Our Blessed Hope* Baruch Korman, 2019-07-31 Do you know what Our Blessed Hope is Most believers in the Messiah do not This term is found in Titus 2:13 and is the Biblical name for the Rapture What most people know about the Rapture is what they have heard other people say Isn't it time for you to read the relevant Scriptures for yourself In this short and easy to read booklet Baruch Korman discusses the primary passages that deal with the Rapture and demonstrates what the Word of God truly states about this wonderful promise from Yeshua Jesus There are important questions which demand answers for example Is the last seven years of tribulation all God's wrath What is the Abomination of Desolations and why is this event mentioned in regard to the end To what end is Yeshua referring when He states that the Gospel of the Kingdom must be proclaimed throughout the world then the end will come Paul speaks about the Day of Messiah Christ Is this the same thing as the Day of the Lord These questions and more will be addressed in an understandable manner that will leave the reader with a Biblical comprehension of the Rapture

*That Blessed Hope, a Post-tribulation Event!*. Ralph W. Ullmann, 1937

**Precepts of the Blessed Hope** Don Mills, 2009-05 The blessed hope of the church is under attack from many sides In this startling new treatise on the end times Don Mills answers the hard questions concerning the rapture of the church At the very heart of this timeless work is the strong underlying support for a pre tribulation rapture of the church Precepts of the Blessed Hope uses eye opening typology to biblically answer many of the positions put forward Because the spirit of this age is to destroy our Christian faith Christians should be thoroughly educated concerning the Precepts of the Blessed Hope Wanting to bring the church of Jesus Christ comfort Don Mills explores the issue of end times prophecy of which there is only one conclusion Now with a lifetime of study Don Mills has shared his passion for the myriad of types in the Bible that point to the pre tribulational rapture of the church Don is not a crusader for some new theology but rather a careful student of the Bible who writes with conviction and obvious respect for God's Word Using typology he guides us to answers that have escaped many about the program of God for our future Dr Woodrow Kroll President Back to the Bible International What an appeal within the fold of Christ this book is I was amazed as I read how God's plan suddenly seemed much clearer and new light flooded over many things that had previously lingered in the

shadows It s a must read for His church Anne Hughes Good News Club The Rapture Don Stewart,2016-05-27 When will the Rapture of the Church take place At some future time believers in Jesus Christ will be caught up to meet Him in the air when the Lord descends from heaven Those who have died in Christ will be raised at that time This is what the Bible says will take place However Christians are divided as to exactly when this will happen In The Rapture of The Church Don Stewart looks at the various views about the timing of the rapture He presents the strengths and weaknesses of each position and then concludes that the pre tribulation rapture view best explains all of the facts He answers questiong such as Why should we study the subject of the rapture What are the best arguments for each rapture position How should we live in light of the coming of the Lord This is an important book for all those who seek to understand what the Scripture has to say about the subject of the rapture The Blessed Hope of the Church J.L. Reintgen,2013-06-26 Philippians 3 20 21 For our citizenship is in heaven from which we also eagerly wait for our Savior the Lord Jesus Christ who will transform our lowly body that it may be conformed to His glorious body according to the working by which He is able even to subdue all things to Himself The Blessed Hope of the Church is the churchs glorification and departure from the earth It is the event by which the Son of Man brings many sons to glory Hebrews 2 10 This is not a made up doctrine contrived by the thoughts of man All biblical principles and truths speak of the validity of this teaching and its occurrence before the coming tribulation For the believer church the rapture is its sure and steadfast hope its constant expectation *Revelation Unleashed - Re-Discovering The Blessed Hope* Craig A. Opal,2012-10-01 Author Craig A Opal addresses the most important prophetic questions of our time How many Seals of Revelation have been broken and has the last Great Tribulation already begun Many from all over the world are beginning to ask this because they can see for themselves the evidences of the end times all around them *Revelation Unleashed Re-Discovering The Blessed Hope* answers this question and many others as we inch closer and closer to the first Great and Terrible Day of the Lord s Wrath which is about to be unleashed on the world any day now Are you ready for what is about to happen Did you know that a massive worldwide earthquake along with millions of fires was predicted to occur in the last days Did you know that the Great Tribulation begins with these events among others Craig will not only show you proof that these things are about to occur but also to give hope and encouragement to those who are looking for answers as well as an escape from the troubles to come *Pre-Tribulation Rapture Blessed Hope! Or Dangerous Deception?* Ian D. Mann,2013 **The Rapture: From the Ground Up** Richard L. Guthrie,2014-04 The Pre Tribulational Rapture theory of the end times is the most prevalent and well known end time scenario of the Bible It is well entrenched and established in most fundamental churches The Pre Tribulational Rapture has been popularized by the Left Behind book and movie series However consider the following What if the blessed hope was not a promise of the Rapture What if the wrath the Church was not appointed to had nothing to do with the Tribulation What if the Rapture is not and cannot be an imminent event What if the Antichrist will not and cannot rule over the entire world What if the Church is not missing during any

portion of the book of Revelation What if the falling away in 2 Thessalonians 2:3 is only a reference to the end time apostasy of the Church predicted by Jesus What if only unbelievers enter into the Millennial Kingdom What if Enoch is no more a representation of a Pre Tribulational Rapture than Elijah is a representation of a Post Tribulational Rapture What if the time at which both the Rapture and the Second Coming will occur is unknown What if Jesus Paul and Daniel presented the exact same end time scenario What if a literal interpretation of Scripture reveals a Post Tribulational Rapture In a detailed and thorough analysis of Scripture *The Rapture From the Ground Up* explores these and many more questions related to the end time events surrounding the Rapture in a step by step approach This eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic simple and straightforward for the novice Using a literal interpretation of Scripture the Post Tribulational Rapture is the undeniable result of such a diligent and literal study of God's Word *An Open Letter to Dr. John F. Walvoord Concerning His Book The Blessed Hope and the Tribulation* Robert Horton Gundry, 1977

*The Greatest Lie Jesus Never Told* James H. Orion, 2021-12-15 For years the author considered himself a pretribulationist It was the only theory he was exposed to However after several thousands of hours of independent research he believes the church will undergo persecution and see the Antichrist One thing that people do not realize is it is very easy to read any book or Bible and decimate its contents and assume outcomes with no regard for hermeneutics and chronology The author truly believes *The Greatest Lie Jesus Never Told* will be an incredible reference and promises that the contents will be 100 percent biblical pertinent and chronological Some people shy away from prophecy because the subject matter is difficult therefore eliminated But I believe the entire Bible is the breathed Word of God and prophecy is just as important or even more important and relevant as any other part of the Holy Bible Revelation 22:19 states And if any man shall take away from the words of the book of this prophecy God shall take away his part out of the book of life Any reading regardless of the subject matter if it is written on a level that is difficult to understand is not worth the paper it is printed on May you be blessed from the moment you open this book and may the Holy Spirit fall upon you and enlighten you to God's holy word that we will recognize his signs and prepare for what lies ahead as *The Greatest Lie Jesus Never Told* enlightens your spirit [Reviving the Blessed Hope of Thessalonians](#) Douglas Stauffer, Andrew Ray, 2016-03-26 The question for all ages Does the Bible conclusively prove that God will Rapture the Church before during or after Daniel's Seventieth Week commonly referred to as the Tribulation period As the controversy rages and debaters rant and rave Dr Stauffer and Dr Ray methodically systematically and objectively consider many of the end times details concerning the timing of the Rapture This concise commentary on the prophetic events of First and Second Thessalonians provides definitive and undeniable proofs showing that the scripture holds the answer and is not open to private interpretation It is important to understand the timing of the Blessed Hope since it serves as a primary impetus for godly living With so many contrary voices the Church's spiritual survival hangs in the balance *Rapture of the Church* Michael E. Pfeil, 2013-11-12 WHAT Would this headline mean weve

missed the Rapture Absolutely Not In light of the rampant evil permeating so much of our world few would deny that Daniels seventieth week appears to be rapidly approaching Even so we are secure in Gods promise that we will be taken to heaven prior to His end time judgments BUT Do the Lords judgments begin with the peace treaty Surprisingly NO The Bible does not tell us when we will be raptured but it does tell us what must happen prior to that glorious event There are no hidden secrets to understanding end times prophecy It is astounding how clear the Scriptures are If you have been taught the Pretrib Rapture position a second look is in order Walk with Mike through Old and New Testament passages that shed light on the timing of the Rapture and its relationship to the seven sealed scroll of Revelation

THE APPROACHING APOCALYPSE: What You Should Know About the End Time and the Return of Christ Robert I. Adams,2018-12-12 A profoundly decisive change in world history is on the horizon a transition from governance under fallen man to a government from God Himself Jesus Christ is going to return and reign over the world with perfect justice Prophecies in the Bible tell us that due to the rebellion of man against his Maker the time leading up to the second coming of Christ will be intense In this book you will find answers to these questions What will the last days be like What will happen when Jesus returns What is the rapture and when will it occur How can I prepare for what is coming

**As We Await the Blessed Hope** Mark Kyriakos,2015-12-18 Too many books are published today with too little rigor This is a book that has been rigorously researched and written In a world that often seems full of the shallow and superficial it is deep and filled with important insights It is not for everyone but those that make the effort will be richly rewarded Matthew Kelly New York Times bestselling author of Rediscover Catholicism Mark Kyriakos has written a book on Bible prophecy that is most unique among Catholic scholars today It is thoroughly biblical and Catholic It is both scholarly and approachable to read for a serious student of Scripture I welcome it as a fresh offering at a time when we usually read treatments of this topic from a predominantly non Catholic perspective John Michael Talbot Founder and Minister General of the Brothers and Sisters of Charity Its impossible to understand the whole range of Gods plan and indeed the Gospel message itself without an understanding of the Second Coming and Final Judgment I am grateful for the immense work that Mark Kyriakos has put into this book and for his effort to make these valuable resources available to a wider audience Ralph Martin S T D President Renewal Ministries

Rapture Revelation Ann M. Rowan,2017-01-28 The Rapture doctrine is one of the most pertinent yet misunderstood doctrines of the Bible It is more than a theological question It is a soon to happen event that will determine one s eternal destiny Author Ann Rowan had a supernatural vision of the end of the world in 1971 which was the impetus for her researching Bible Prophecy over forty years As a result Rapture Revelation was written This is a scholarly yet easy to read synopsis of end time prophecy The pre tribulation rapture resurrection of the Church is expounded upon in a Biblically balanced manner This book takes the confusion out end time prophecy especially as it pertains to the Rapture of the Church You will be informed enlightened challenged and most of all inspired by this book
