*The Cyborg's Crusade Book 1 - 3 Boxset* Benoit Lanteigne, The first three books in an epic sci fi series How did it come to this My life used to be so simple Back then I hated it I found it boring Let me tell you boring's good Boring's great I should've been thankful It was supposed to be a date like any other for James Hunter a simple convenience store clerk Nothing more than watching a movie in the town of Moncton A place as unknown and unimportant as he considered his own existence to be And yet while walking to a cinema James teleports to another world There a hostile crowd surrounds him including various mutants with strange deformities Before he can even gather his wits or make a dash for it a lone ally presents herself in the form of a winged woman named Rose An important cultural figure in the country where James appeared she offers him both protection and a home Soon James learns that this new world is divided by a cold war On one side is Nirnivia home to Rose The other Ostark is led by a mysterious cyborg James is unaware that the cyborg has him in his crosshairs thinking of him as the Deus ex machina that will end the war in his favor But the cyborg is far from the only potential threat to James Soon after his arrival BRR a terrorist

organization kidnaps him What would a rogue group out for revenge seeking to turn the cold war hot want with someone like James Is there anyone also aware of this other world who will try to find him Or is he on his own If so how is he supposed to escape If that s even an option
