Czech Opera:

The Lost Tradition of Dvorák's Operas John Holland, 2023-09-05 The Lost Tradition of Dvorák's Operas Myth Music and Nationalism examines Antonín Dvorák's operas specifically *Jakobín* and *Rusalka* from a critical standpoint focusing on such criteria as tonal structures thematic material and motives subject matter Czech folklore and musical influences textual language nationalism characters compositional history performance history and reception This research vindicates and validates Dvorák as an opera composer and shows him to be an overlooked master in nineteenth century opera and the bridge between the Verdi and Wagner traditions

Mozart's Operas and National Politics Martin Nedbal, 2023-08-10 This wide ranging study explores how Czech and German nationalism influenced the reception of Mozart's operas in Prague over the centuries It demonstrates the role of politics in the construction of the Western musical canon revealing how both Czech and German factions in Prague used Mozart's legacy to promote their political interests

Czech Opera John Tyrrell, 1988 Opera is the grandest and most potent cultural expression of the nationalist movement which led to the establishment of the Czechoslovak Republic in 1918 During this period Czech opera developed into a genre of major artistic importance cultivated by composers of the stature of Smetana Dvorák and Janáček *Czech Opera* examines opera in its national contexts and is a study not only of operas written in Czech but also of the specific circumstances which shaped them These include the historical and political background to the period the theatres in which Czech plays and operas were first performed and the composers and performers who worked in them The role of the librettists is given particular prominence and is complemented by a detailed chapter on the subject matter of the librettos shedding light on the subject matter of the historical and mythic background of the genre
