One God in One Man C. T. Benedict, 2007 This book aims to enlighten the readers to the reasons and arguments for believing in the existence of God Jesus Christ is the true Messiah and to disprove the unfounded and blasphemous allegations made against Christ and the Universal Church by some fictional writers who have attempted to ridicule Christ and to reduce the standing of the Gospel to a product of political forces which allegedly operated to determine as to which text should be included in the Canon and which should be edited out rather than considering the Gospel as the literal work of God

[The Politicized Concert Mass \(1967-2007\)](#) Stephanie Rocke, 2022-07-29 Since the transformative 1960s concert masses have incorporated a range of political and religious views that mirror their socio cultural context Those of the long 1960s c1958-1975 reflect non conformism and social activism those of the 1980s environmentalism those of the 1990s universalism and those of the 2000s cultural pluralism Despite utilizing a format with its roots in the Roman Catholic liturgy many of these politicized concert masses also reflect the increasing religious diversification of Western societies By introducing non Catholic and often non Christian beliefs into masses that also remain respectful of Christian tradition composers in the later twentieth century have employed the genre to promote a conciliatory way of being that promotes the value of heterogeneity and reinforces the need to protect the diversity of music species and spiritualities that enrich life In combining the political with the religious the case studies presented pose challenges for both supporters and detractors of the secularization paradigm Overarchingly they

demonstrate that any binary division that separates life into either the religious or the secular and promotes one over the other denies the complexity of lived experience and constitutes a diminution of what it is to be human **Library Journal** Melvil Dewey, Richard Rogers Bowker, L.
